

Zoom out on  
pebble dash. Too big.

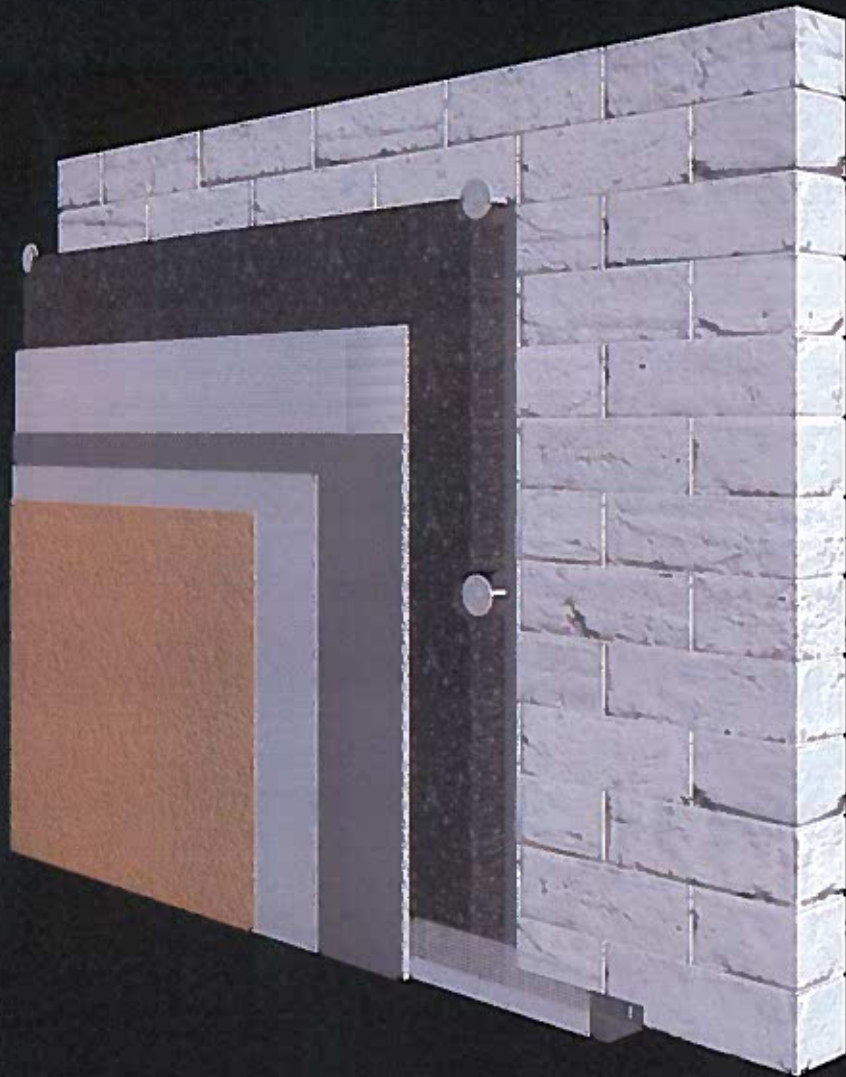

Zoom out

Same comment on  
spacing Needs to be  
a bit wider

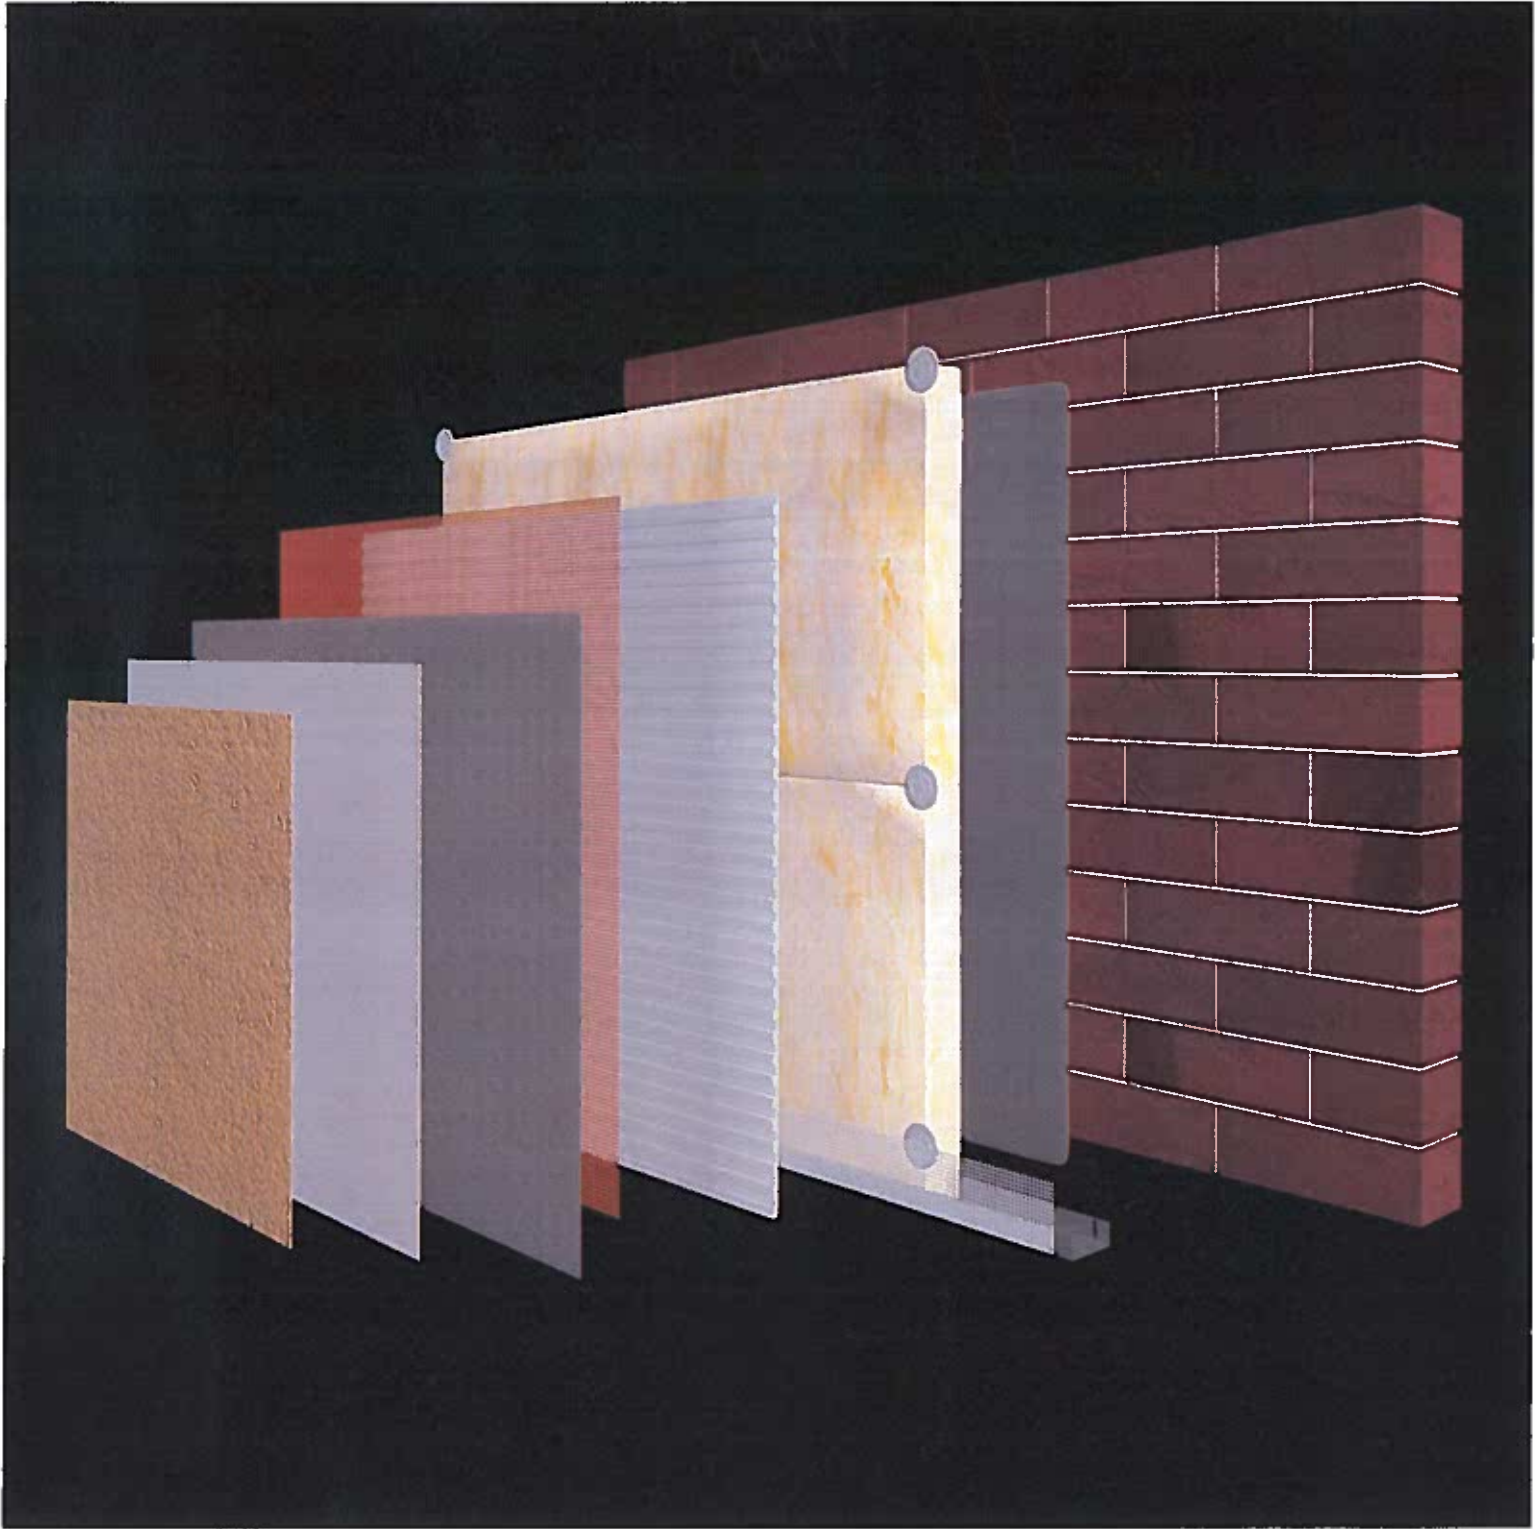

See comment on  
other side.

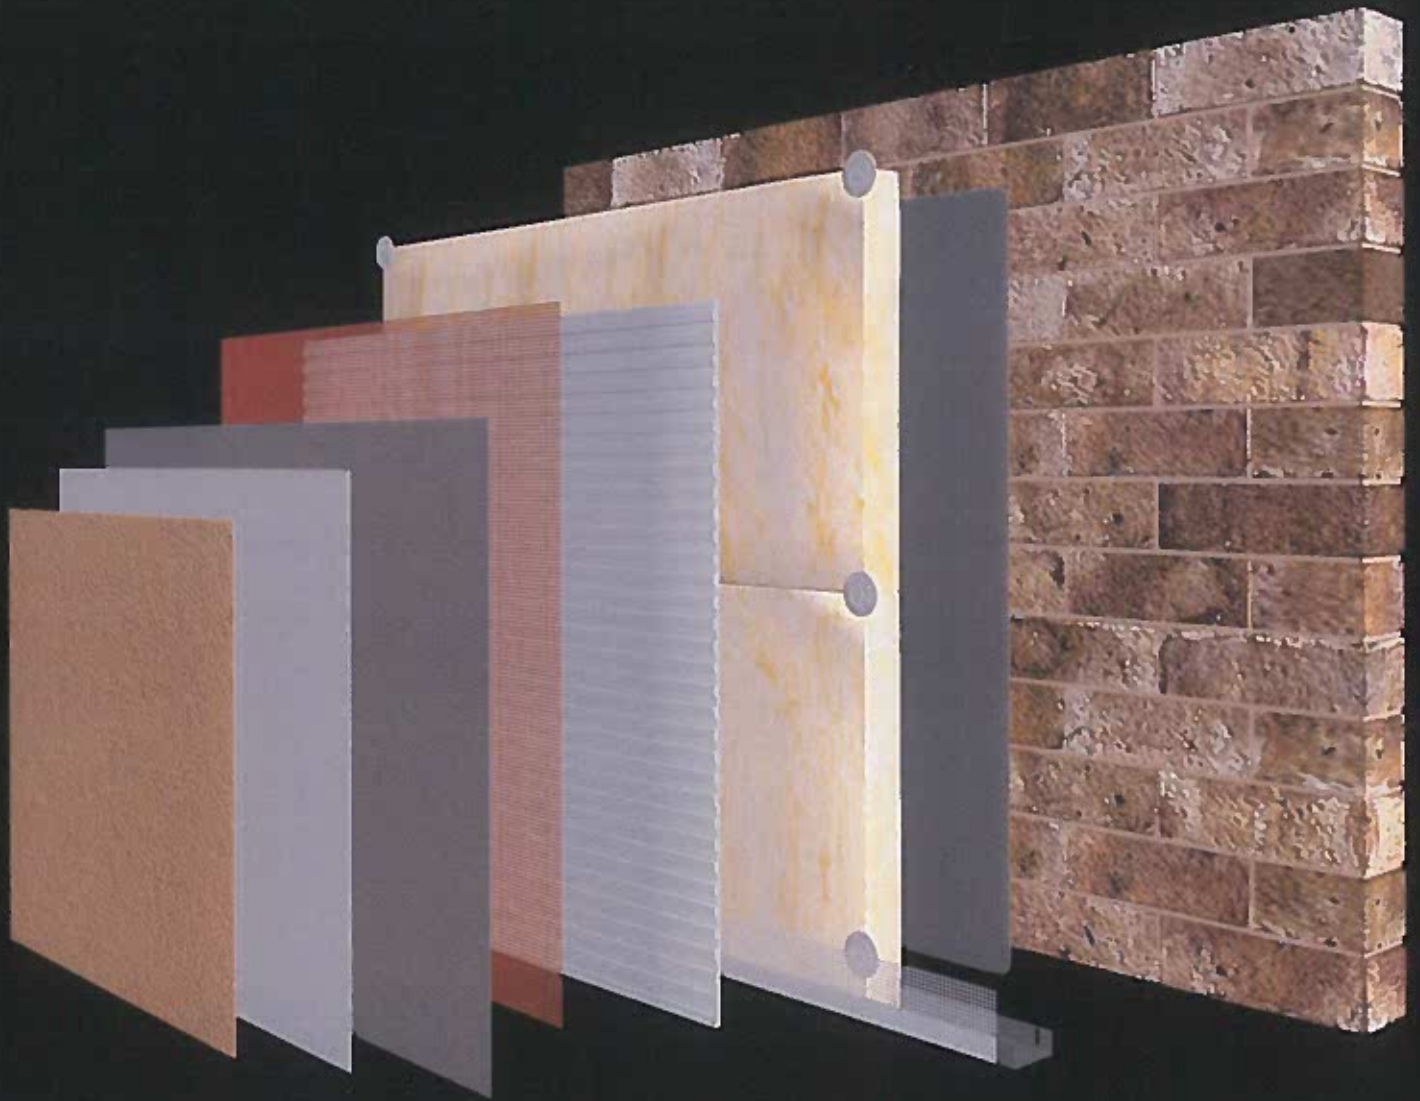

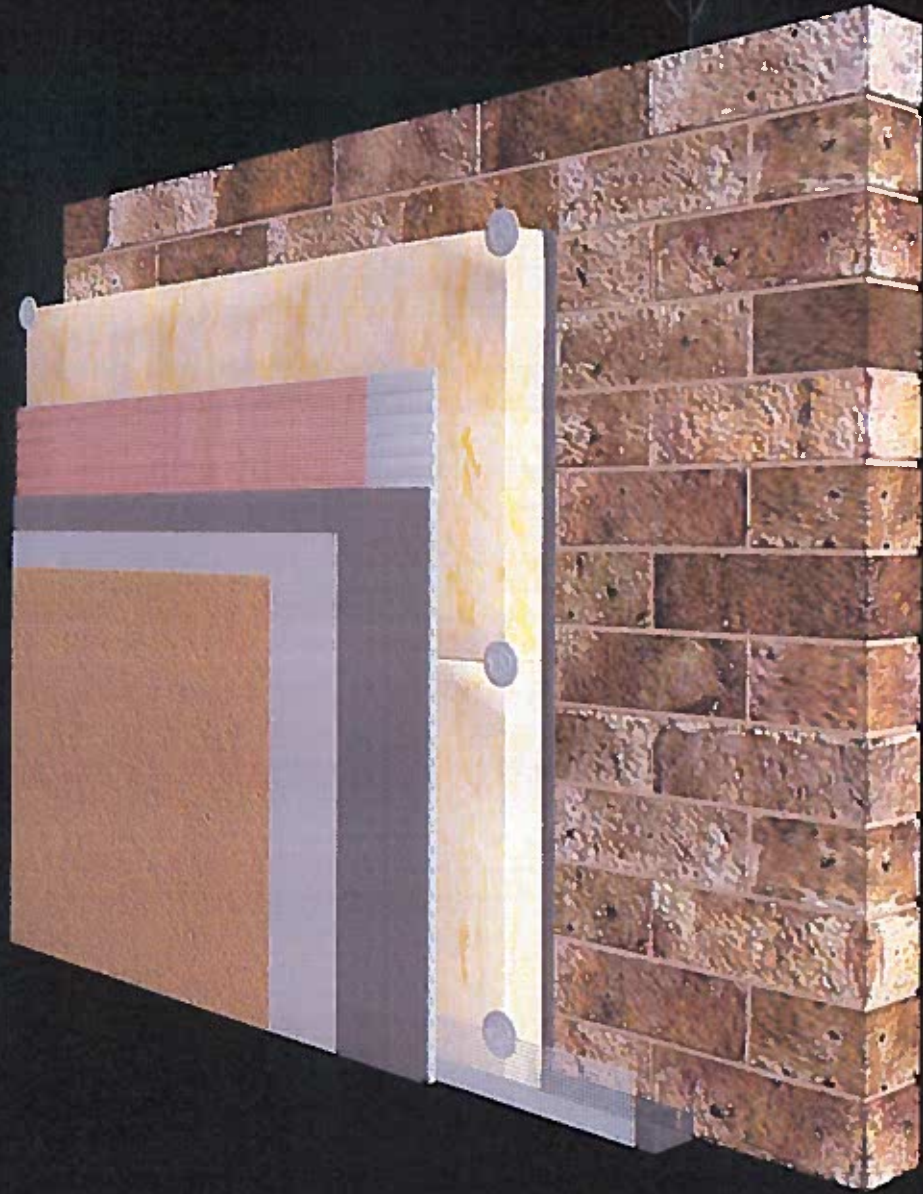

①

Swap yellow brick.  
This pattern doesn't work.

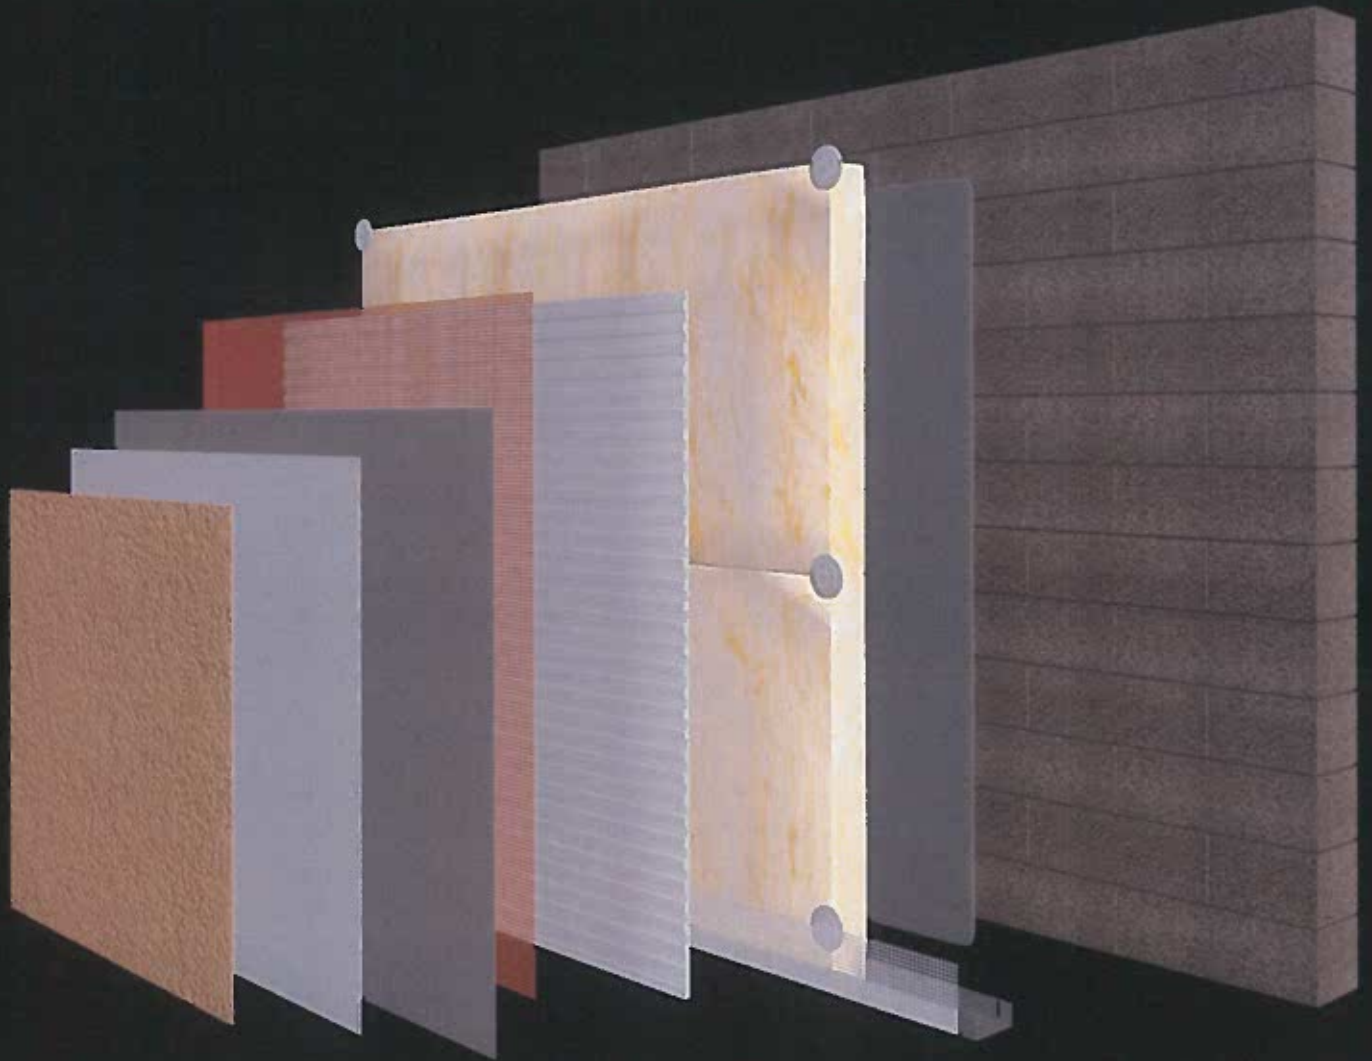

Pattern doesn't work.  
Swap.

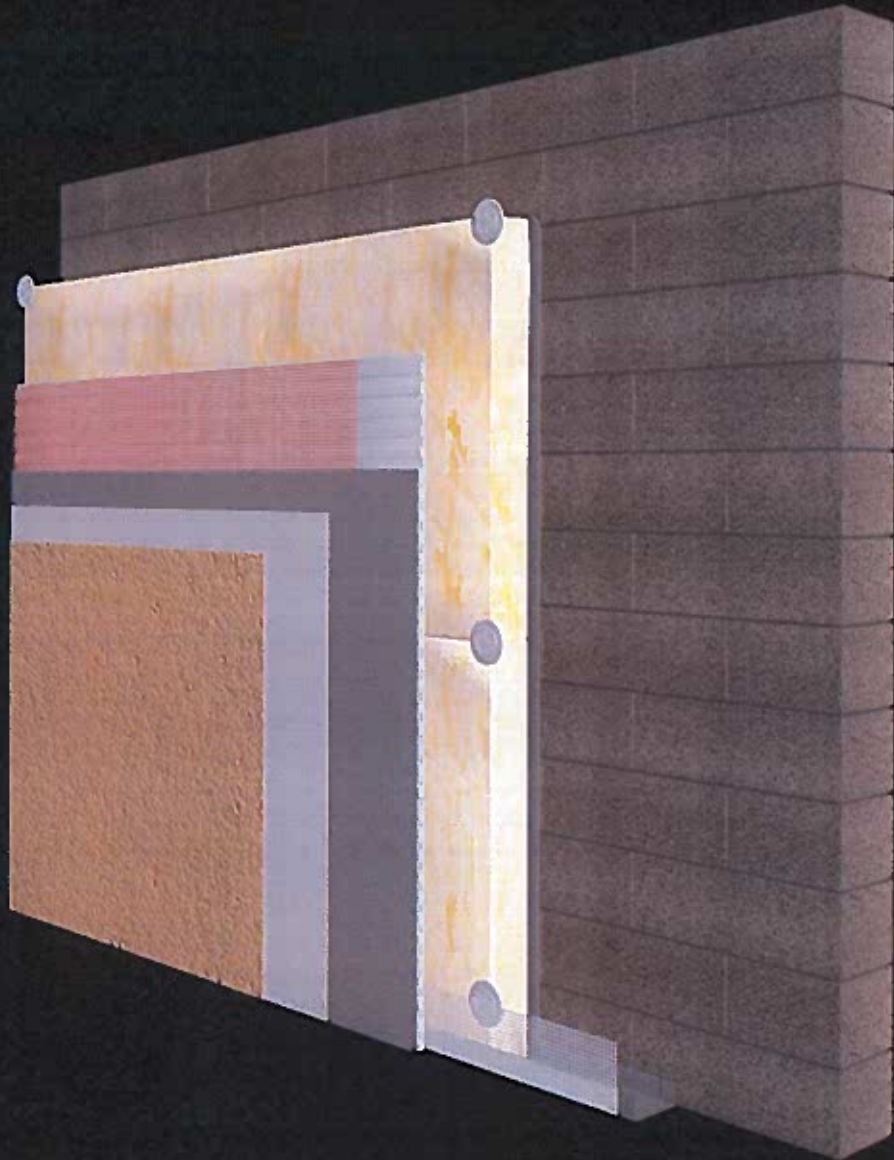

Blocks need to be different  
dimensions to brick.  
/ Nick to send  
scale.

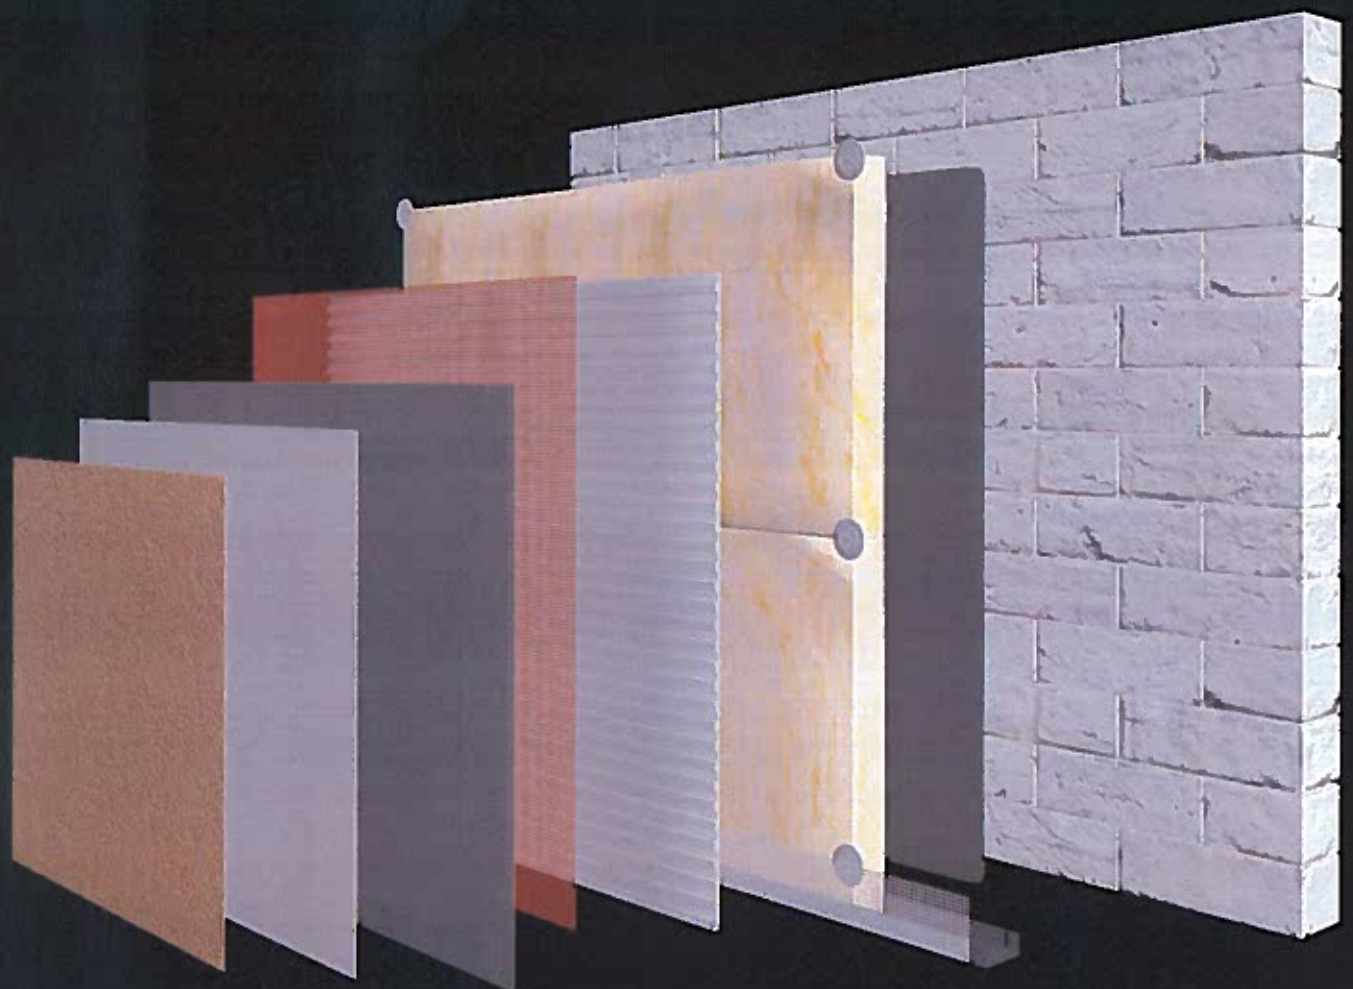

Same comment  
as other side.

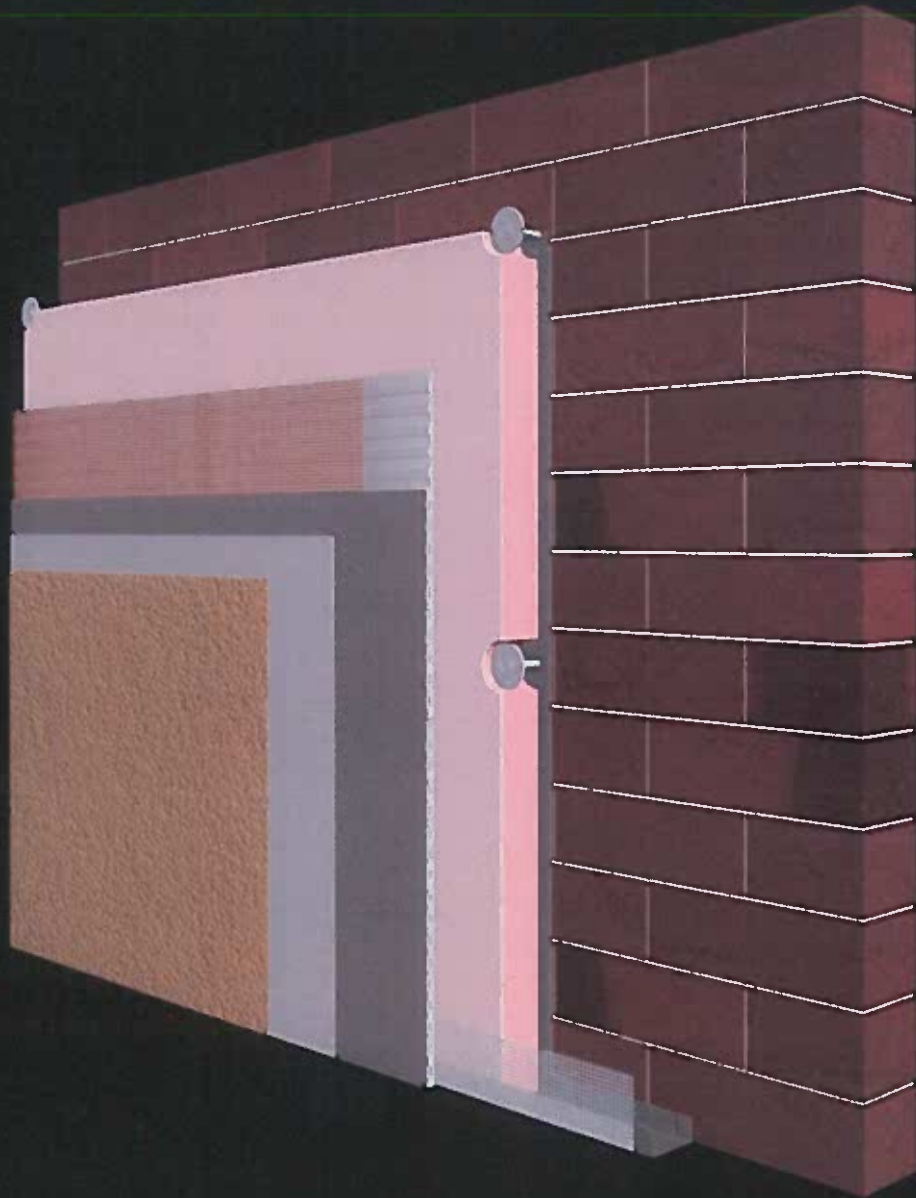

Same comment as  
other side.

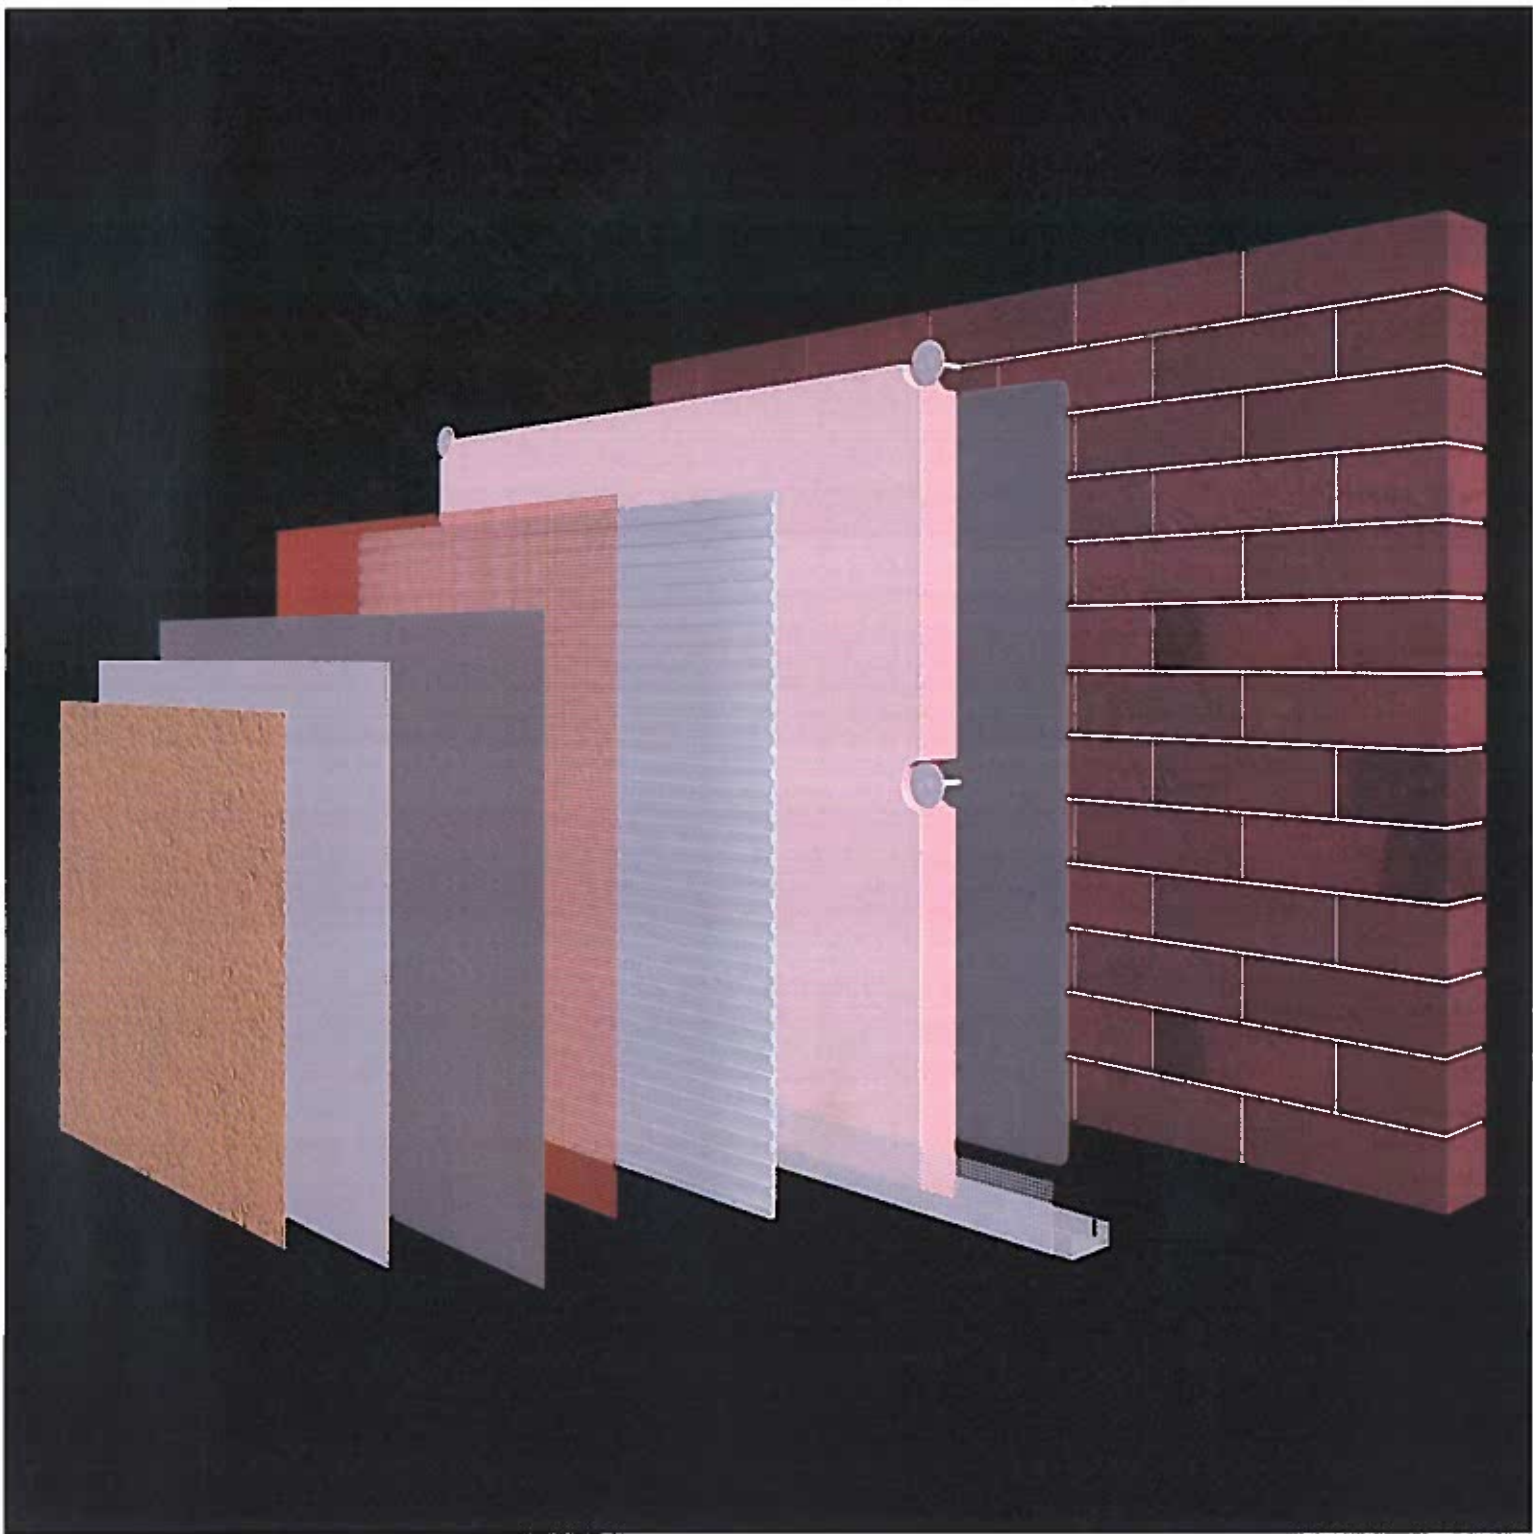

Brick grout/spacing needs  
to be wider

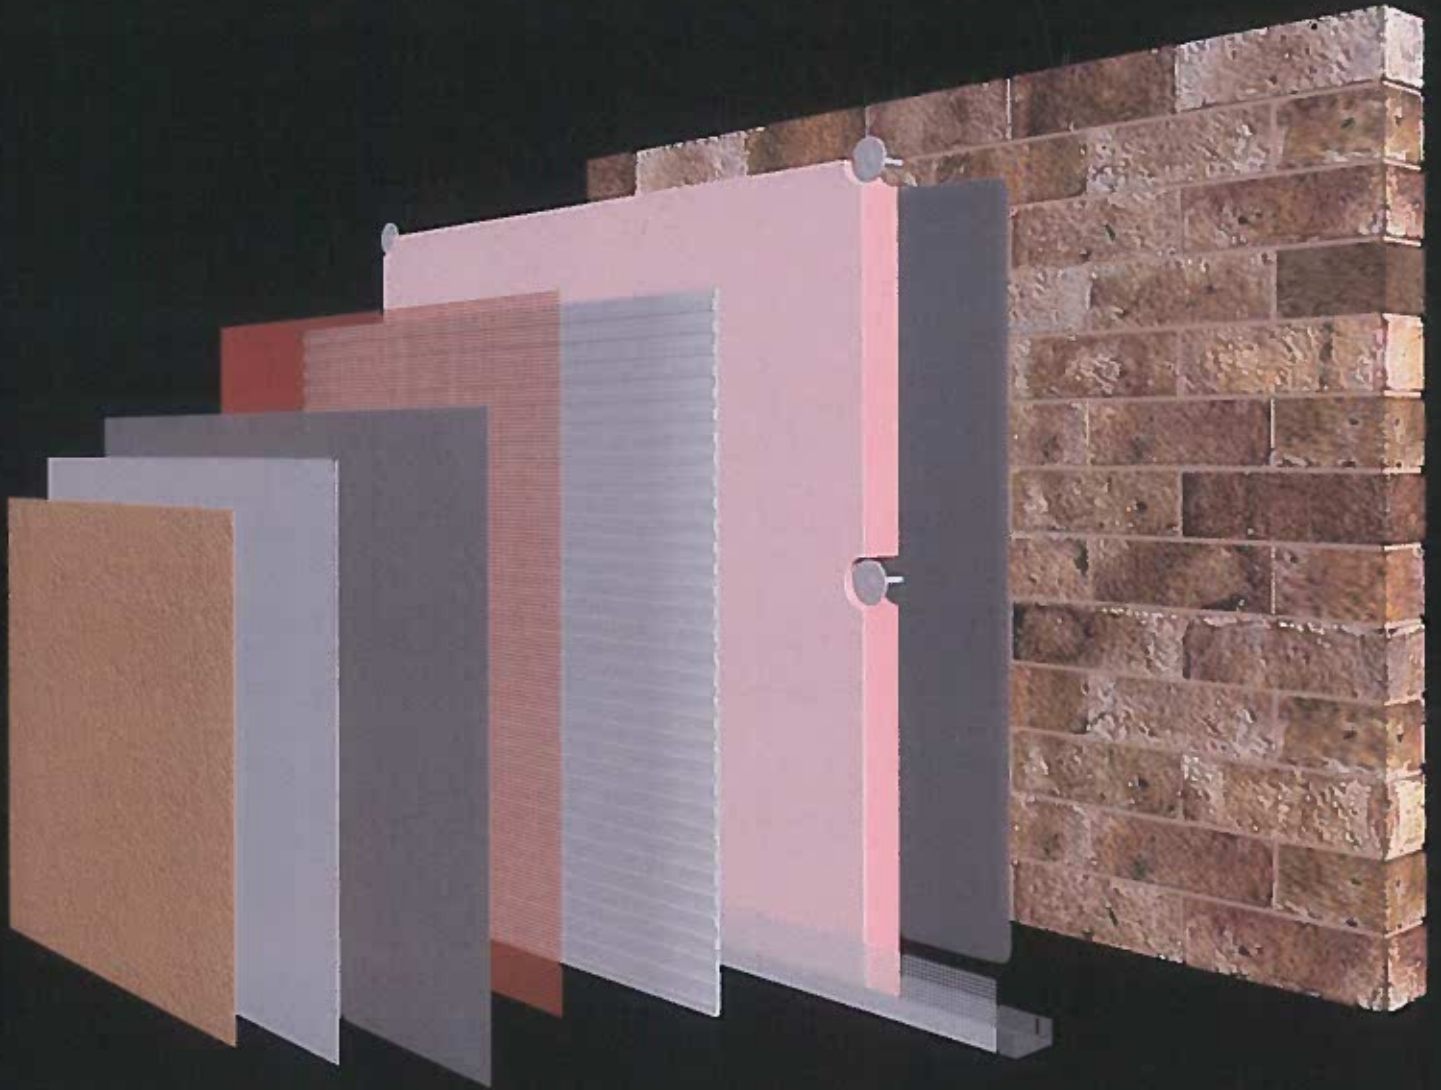

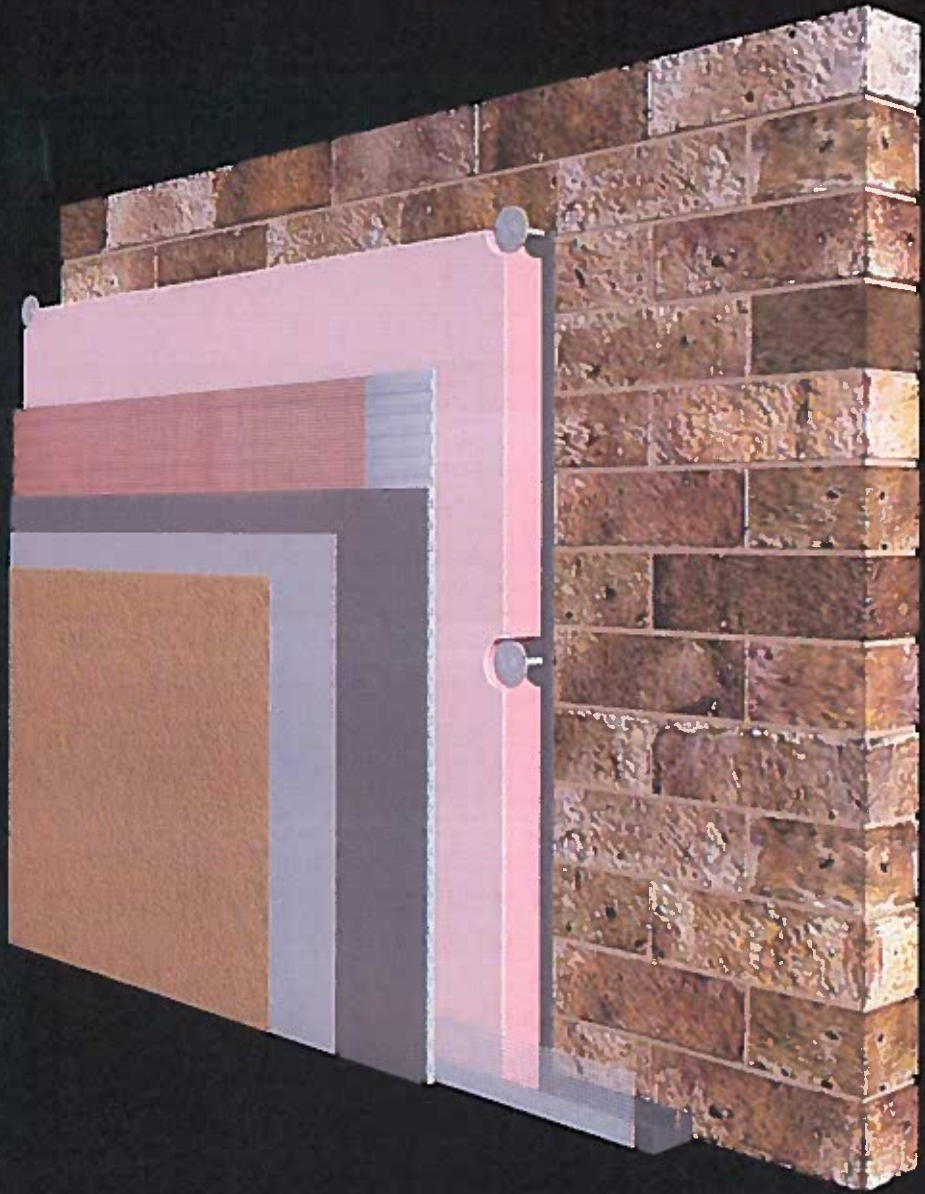

(V)

Need to try another image  
of yellow brick.

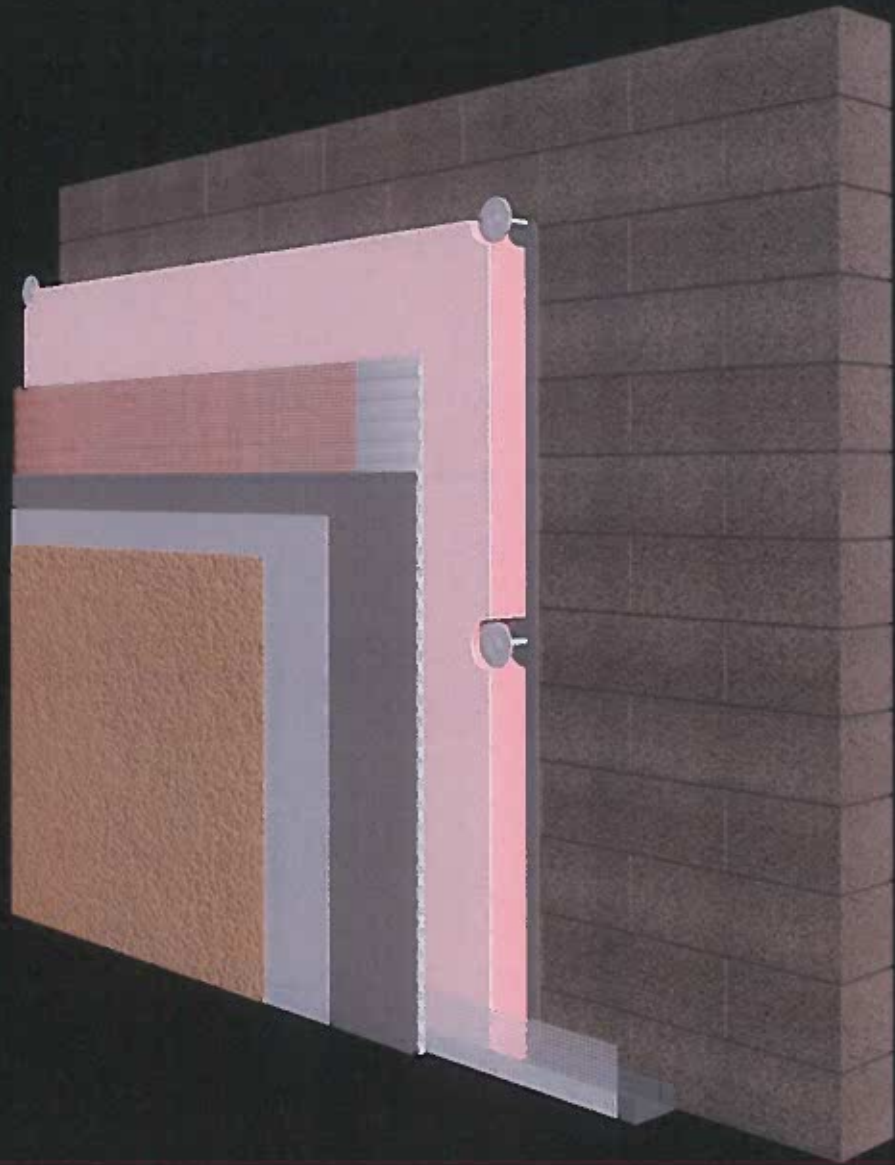

Need to try another image  
of yellow brick

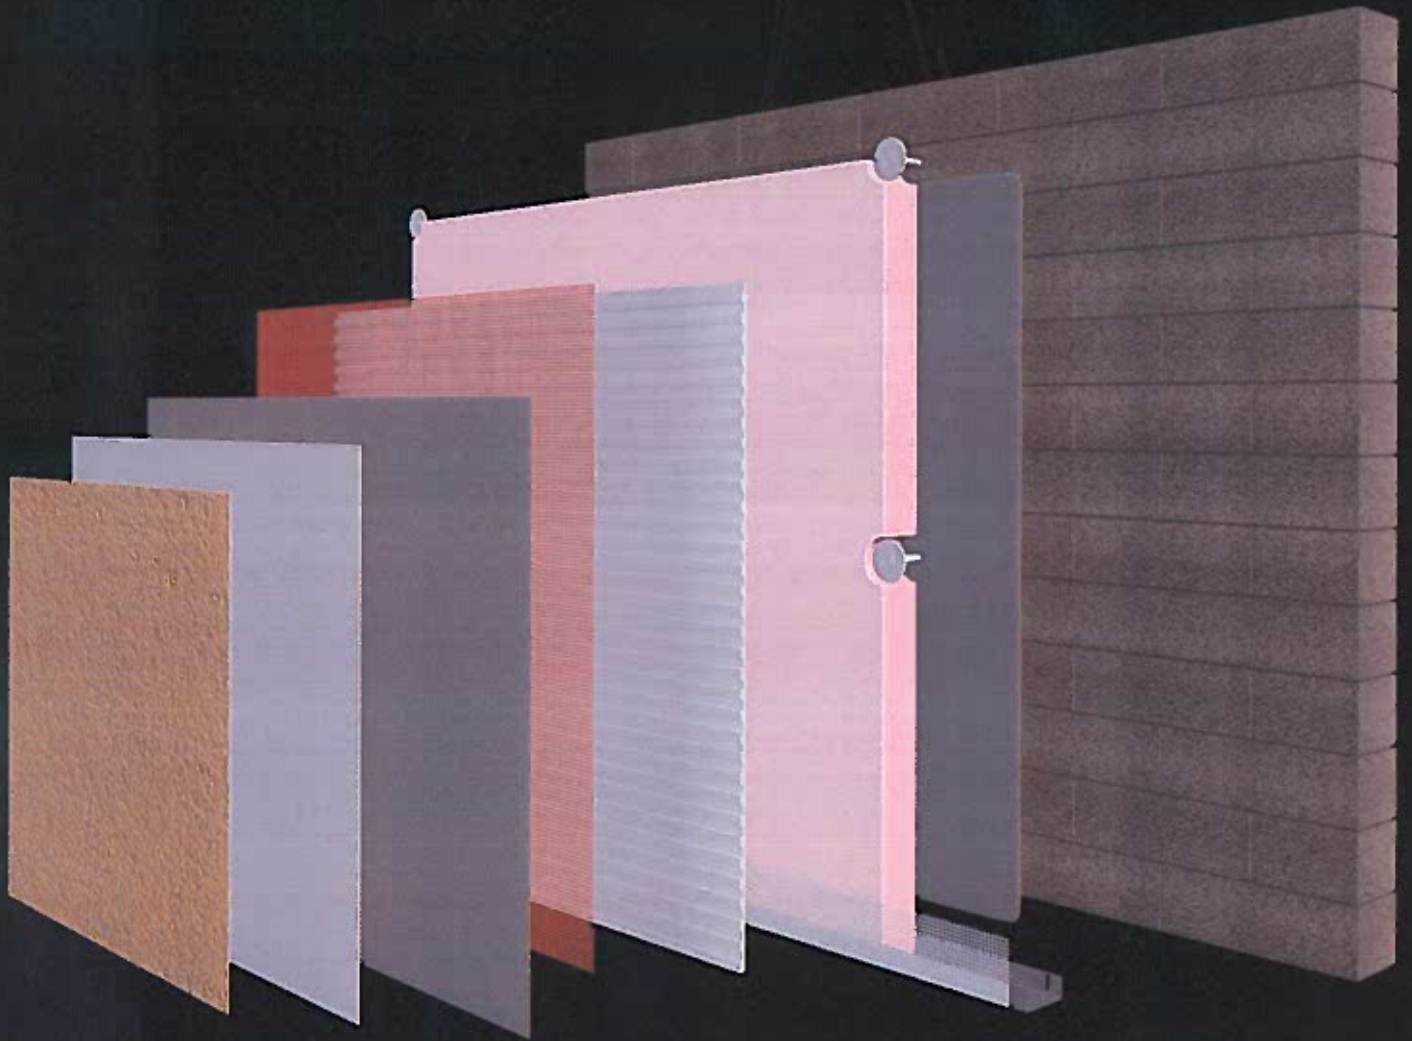

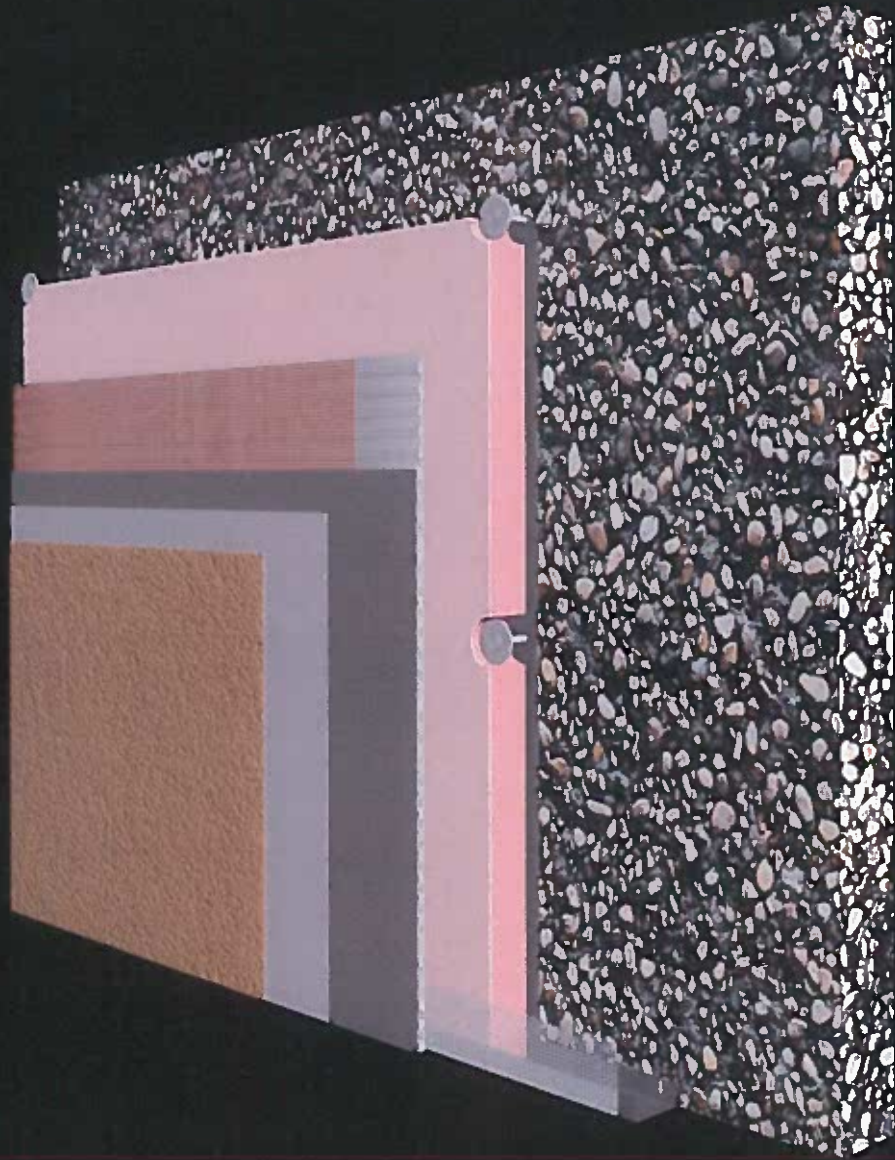

Same comment as  
other side

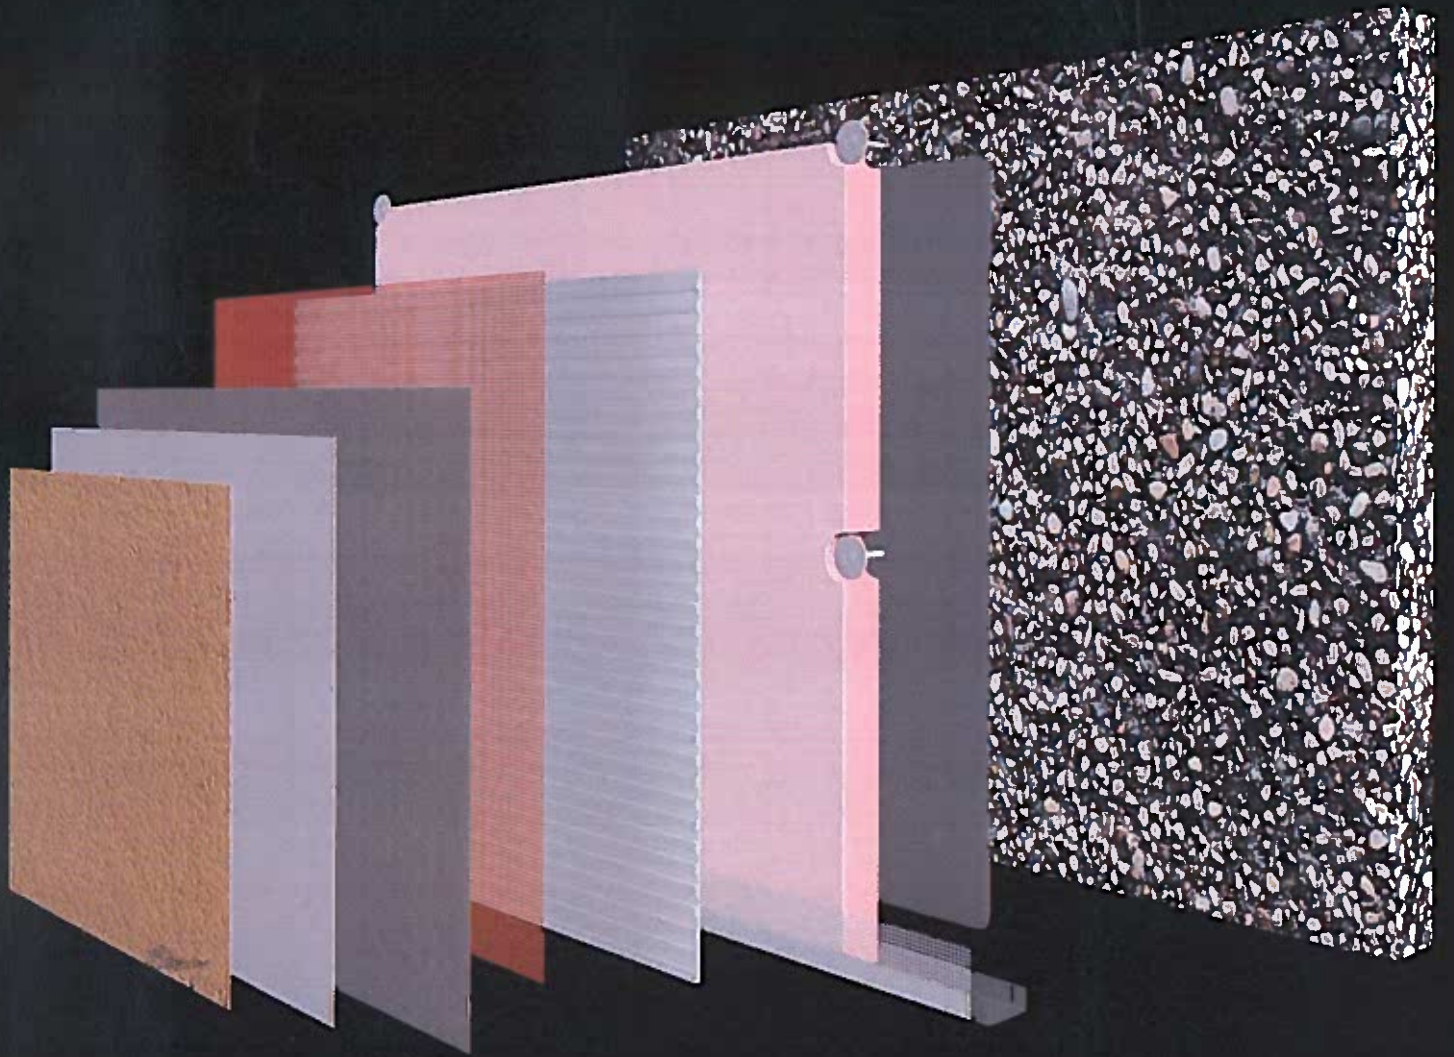

Same comment for blockwork  
We need to substitute larger  
blocks as they are too similar to  
brick.

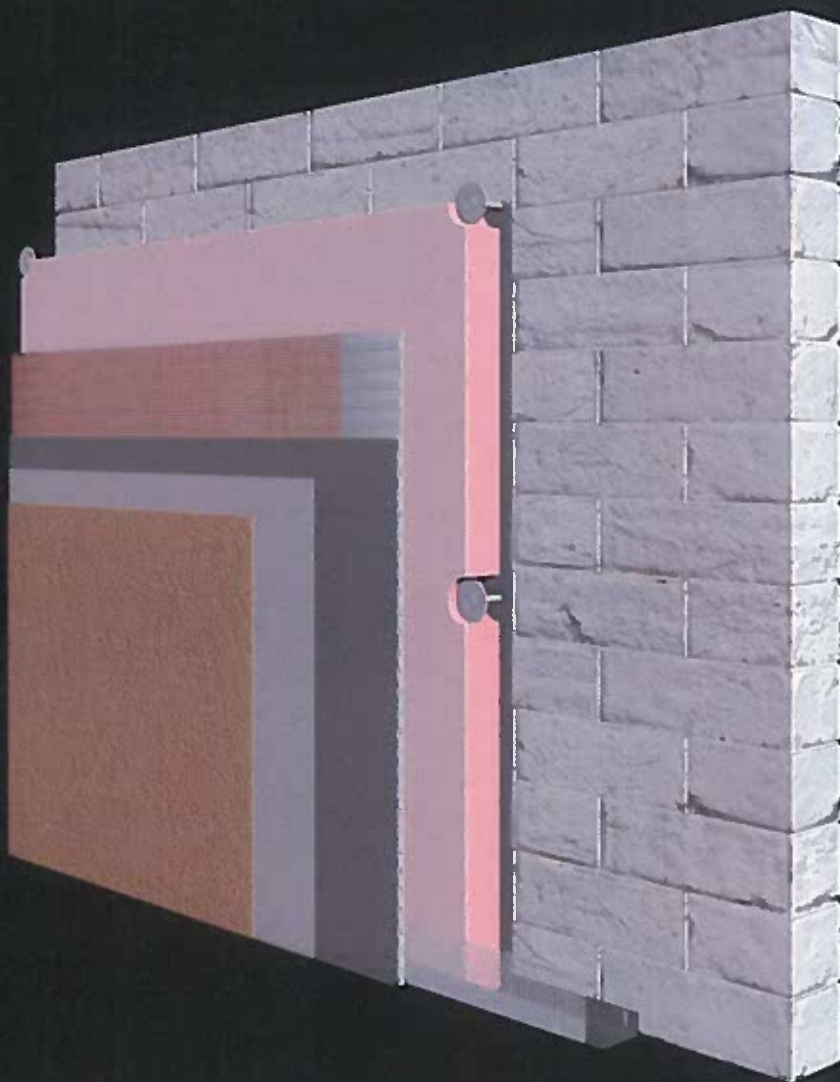

Same comment as  
other side.

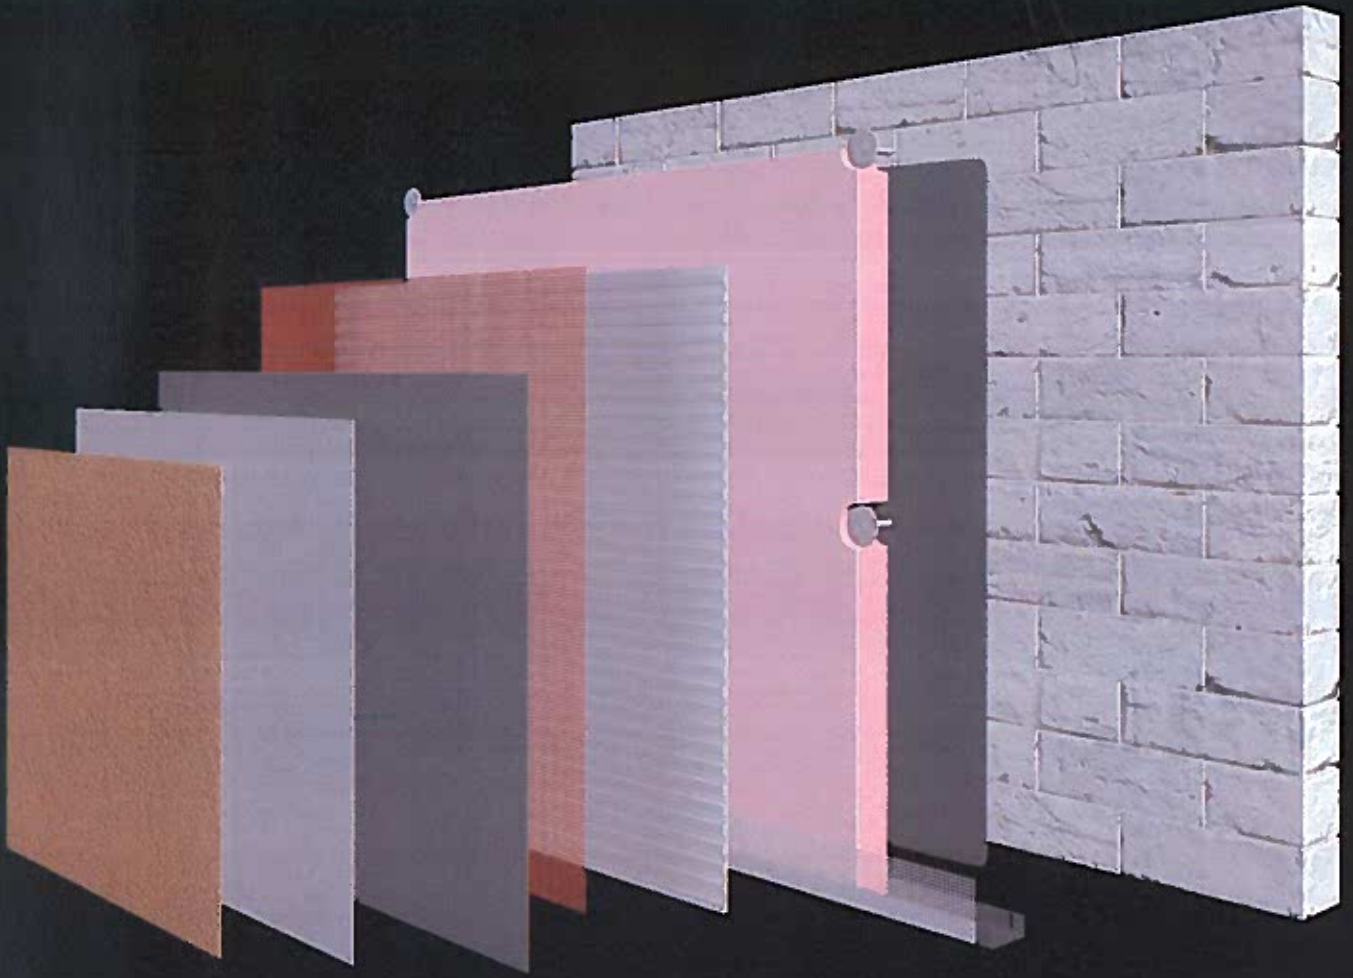

Pebble dash needs to be zoomed out. Too grainy. Needs to be very small.

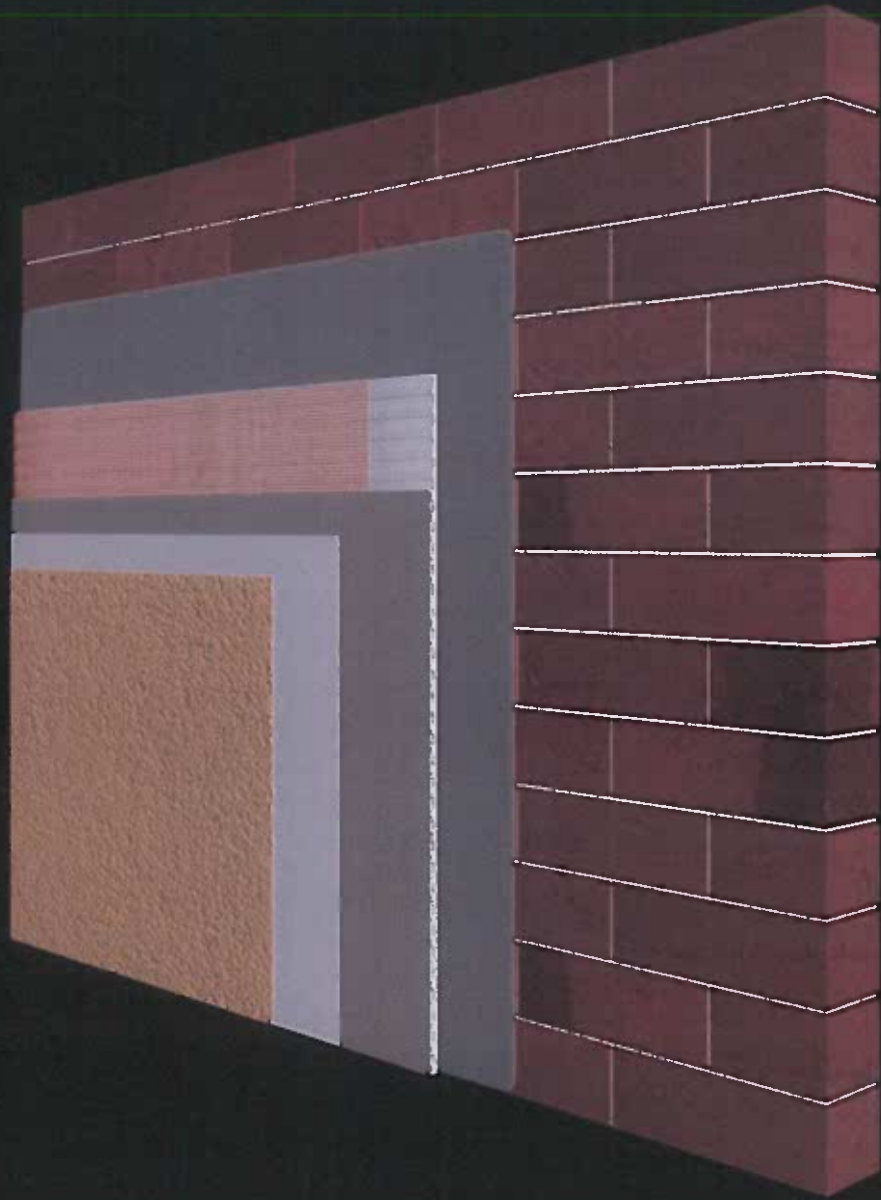

See comment on  
other side /  
Same

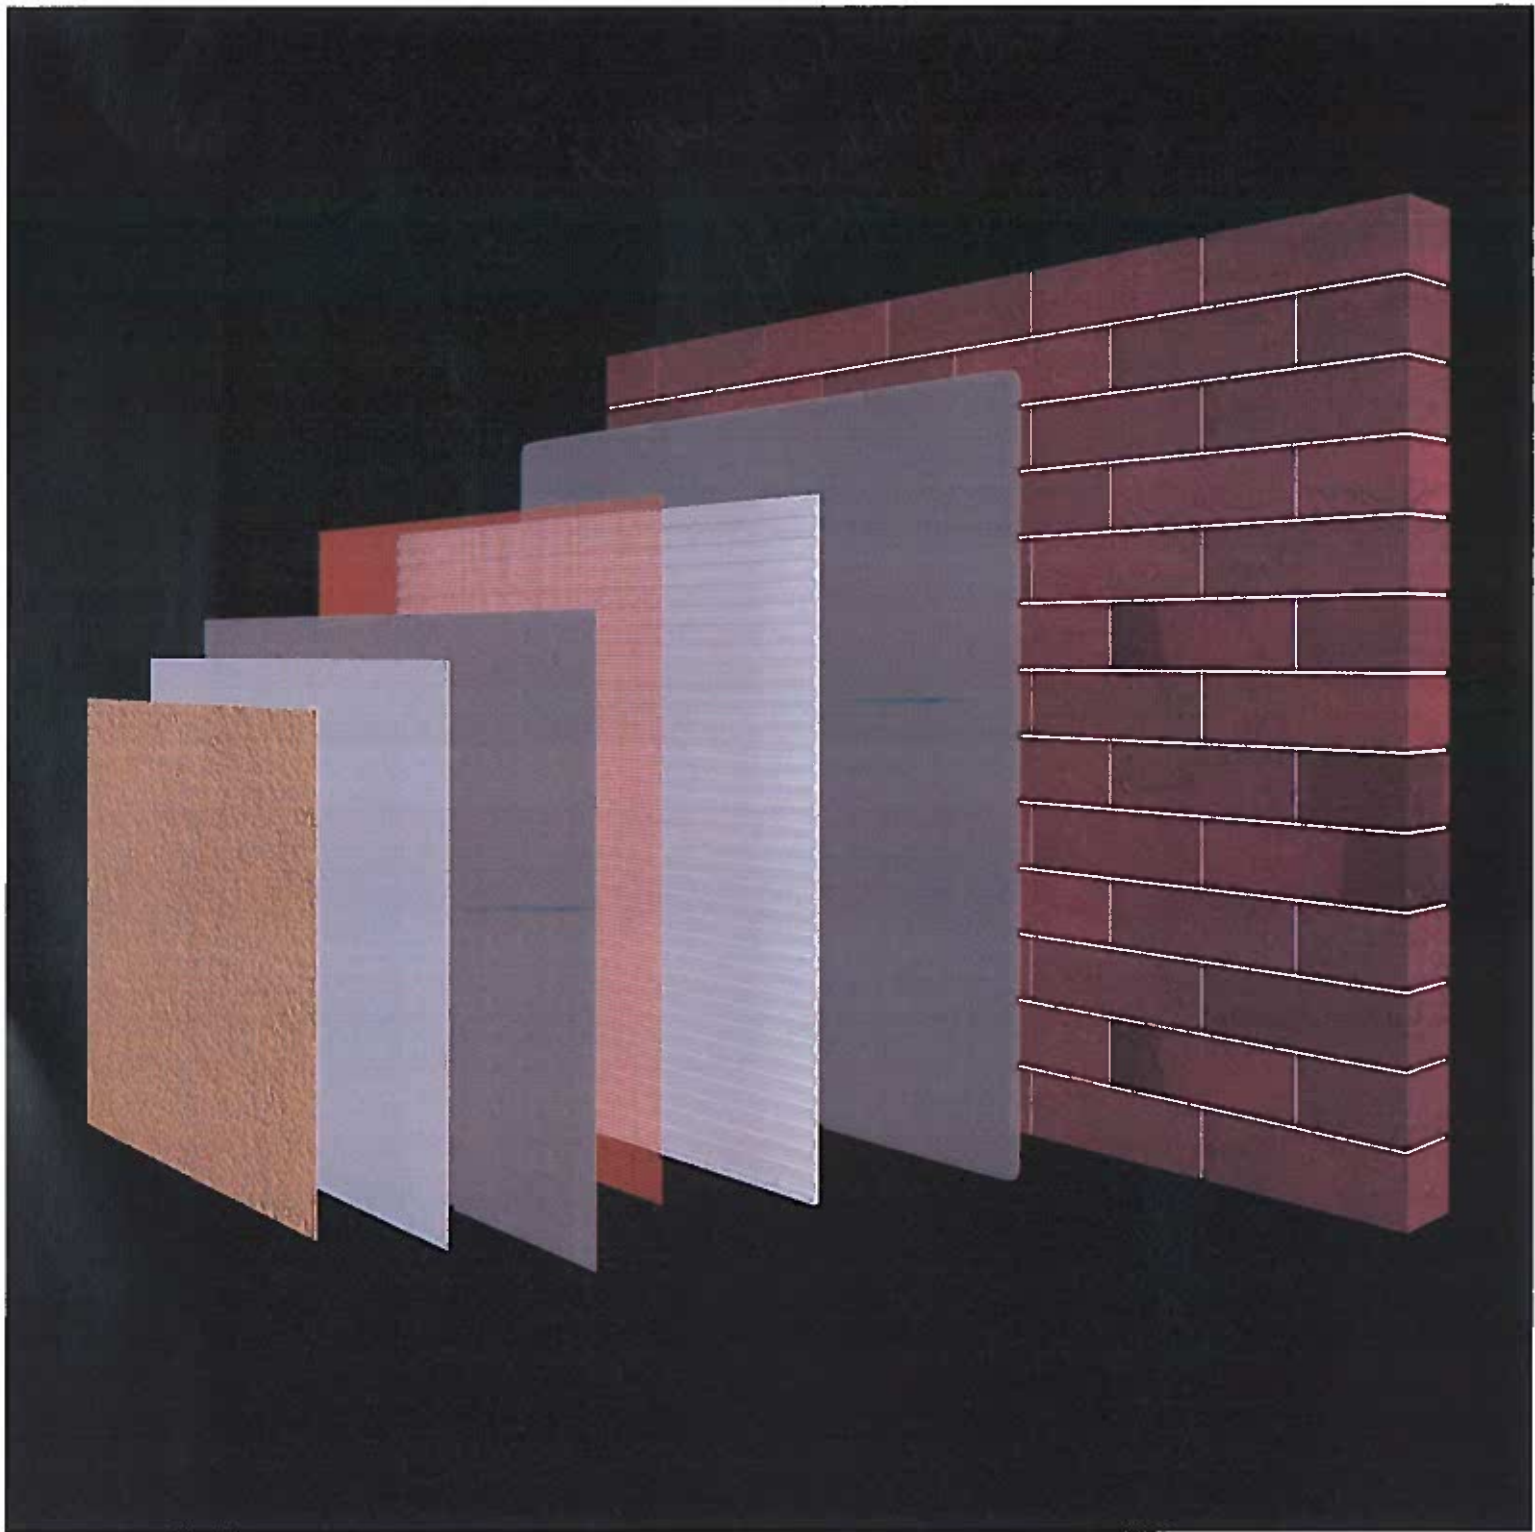

Grout / spacing in  
brick needs to  
be wider.

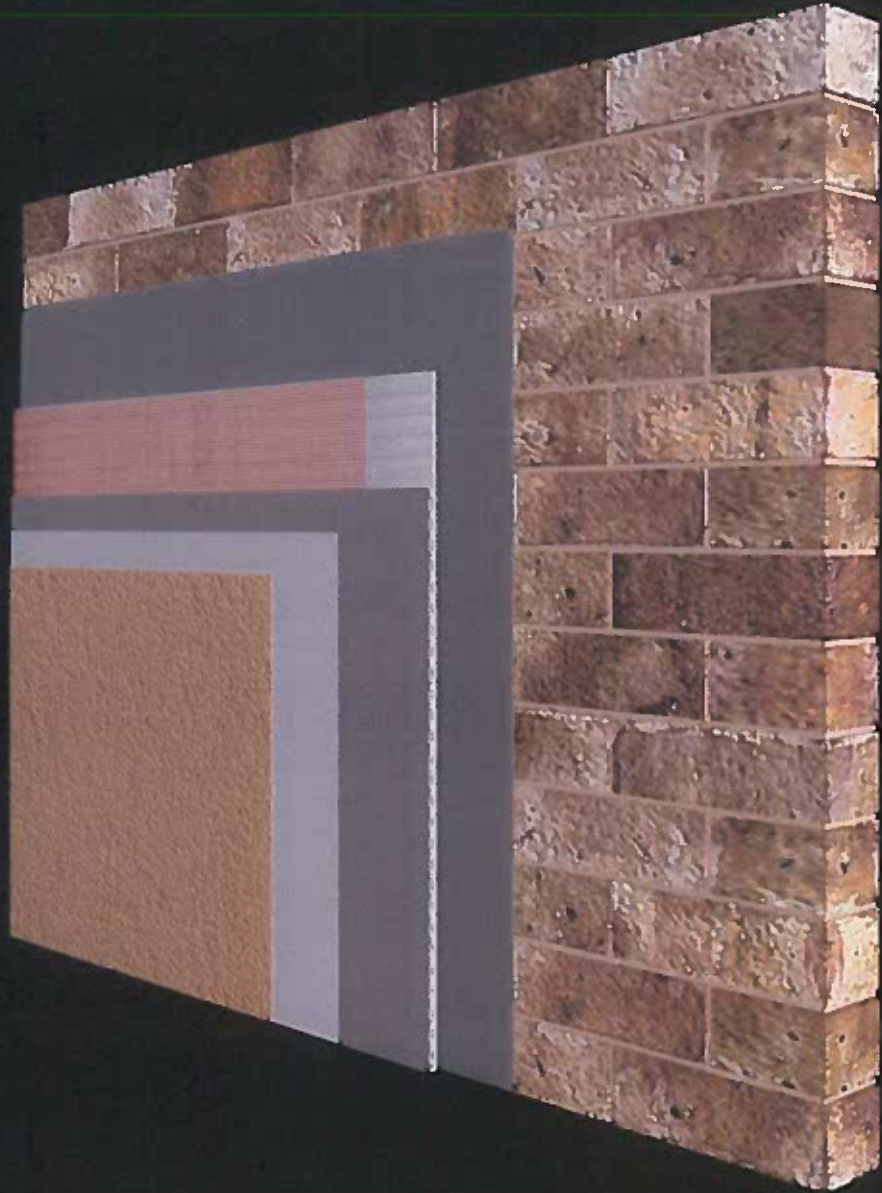

V

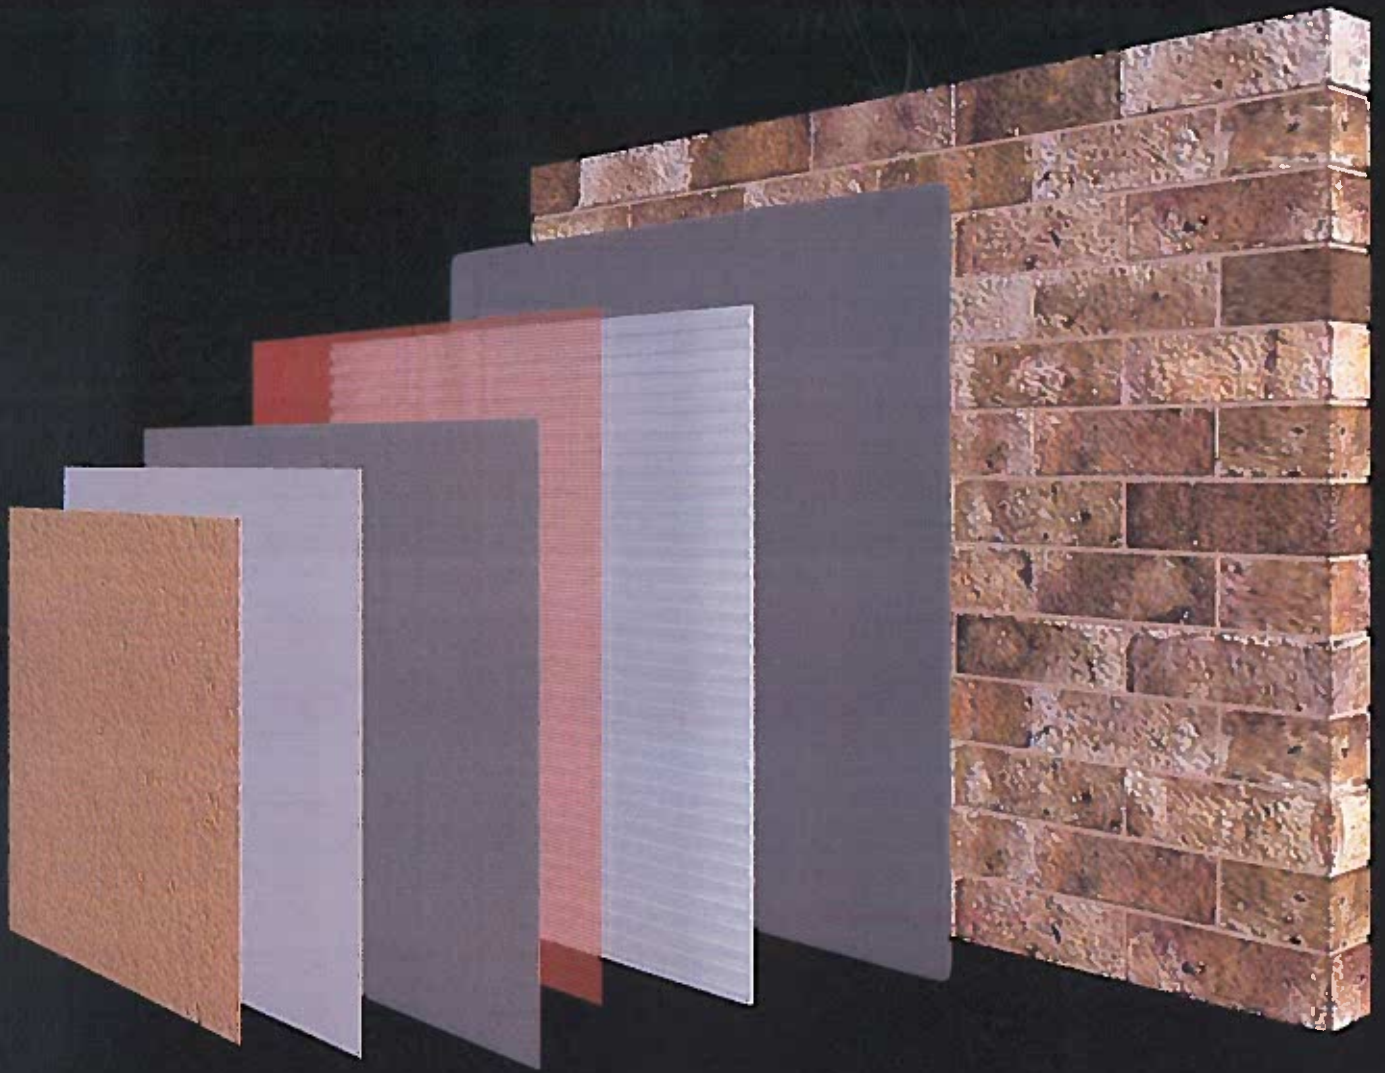

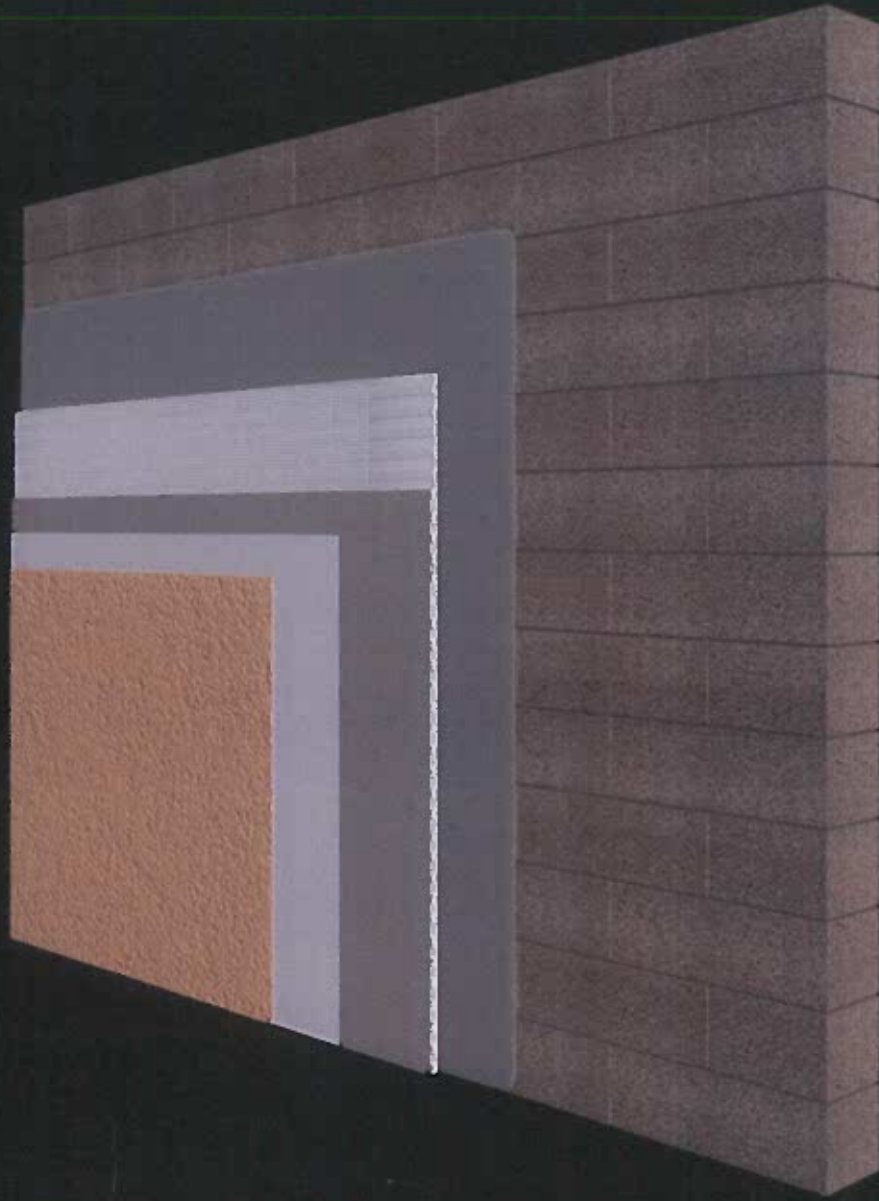

As the other side  
Need to go through  
another skin

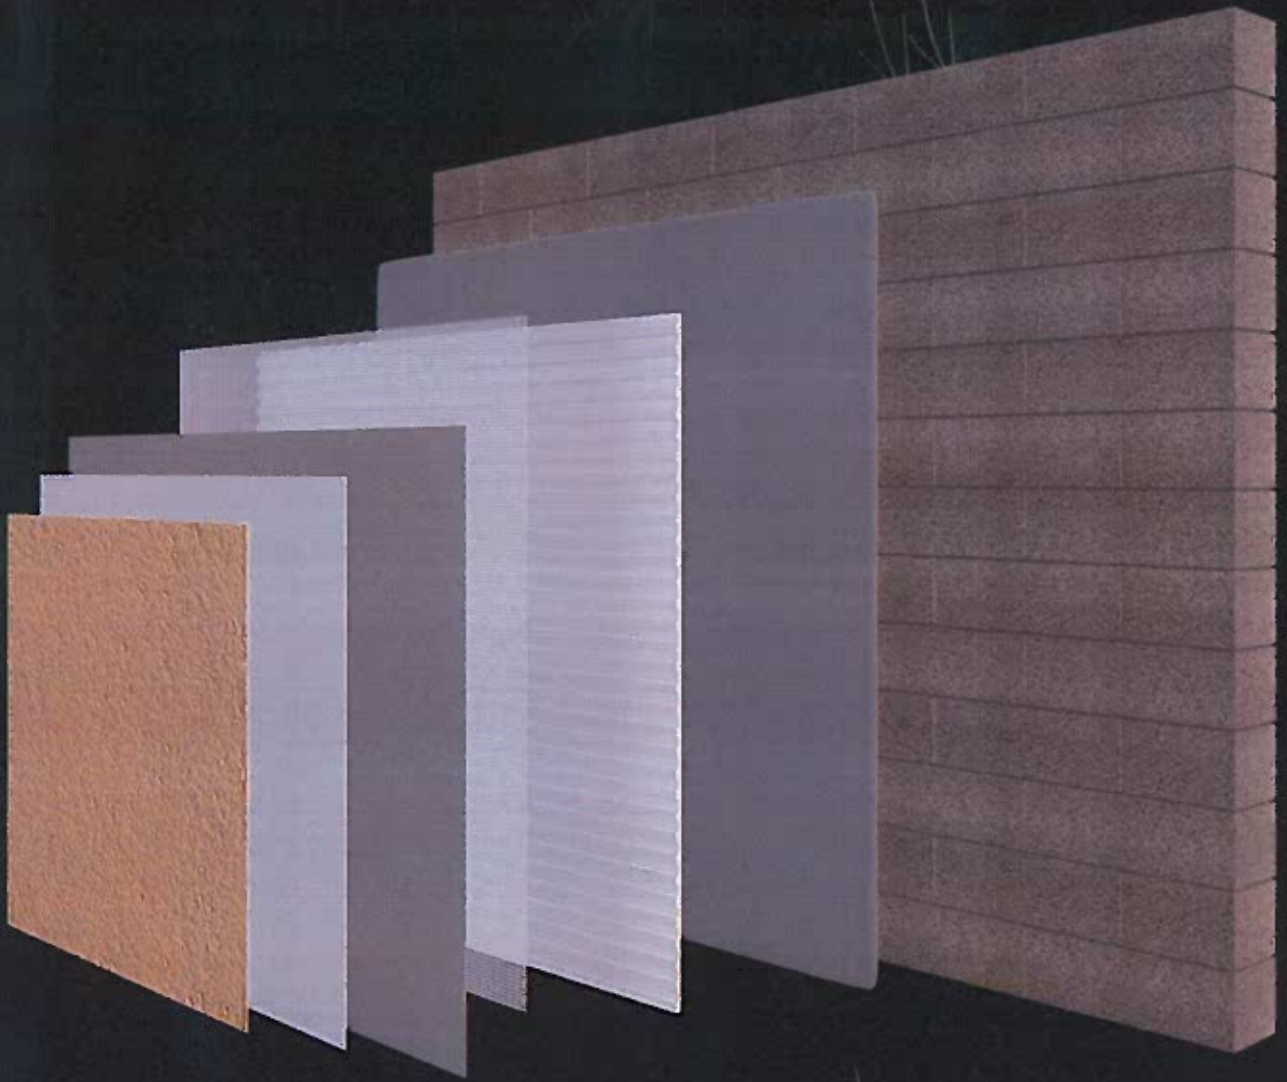

Sutton to send.  
More examples of yellow  
brick.

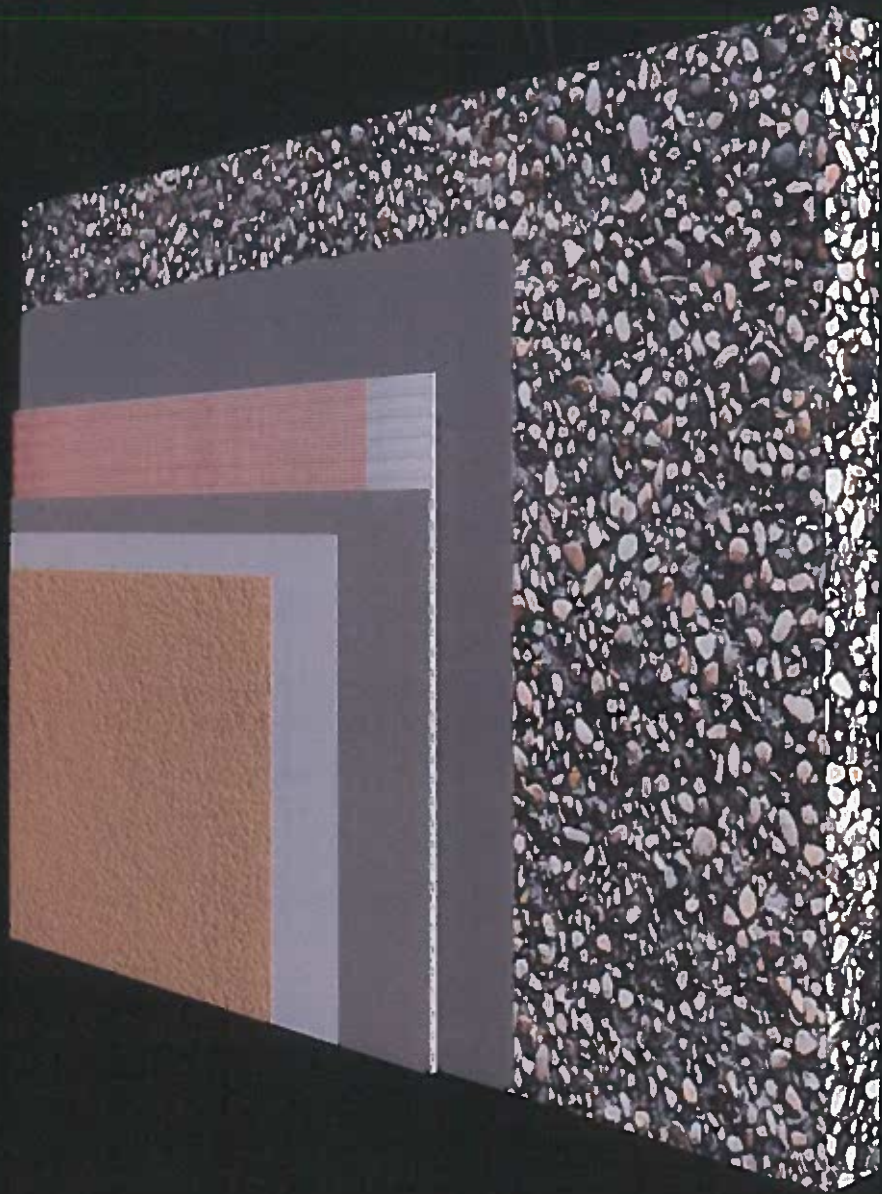

Same as over leaf  
Needs to be bigger  
than brick.

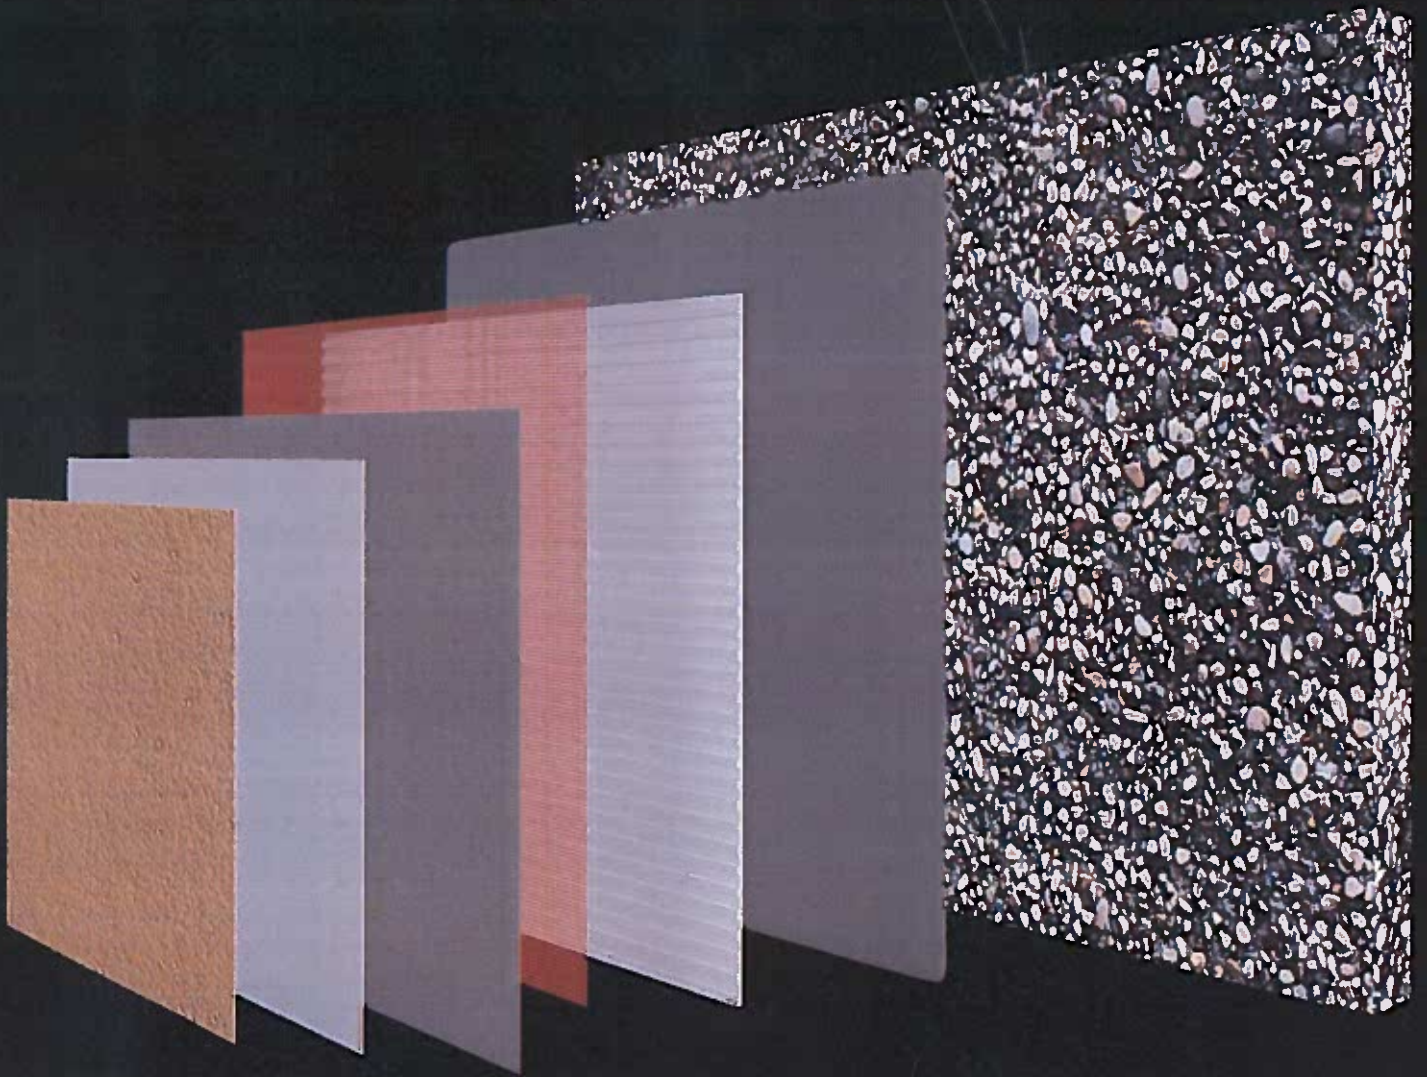

Can we make concrete  
blocks bigger. Swtton to  
send pic difference between  
block and  
brick.

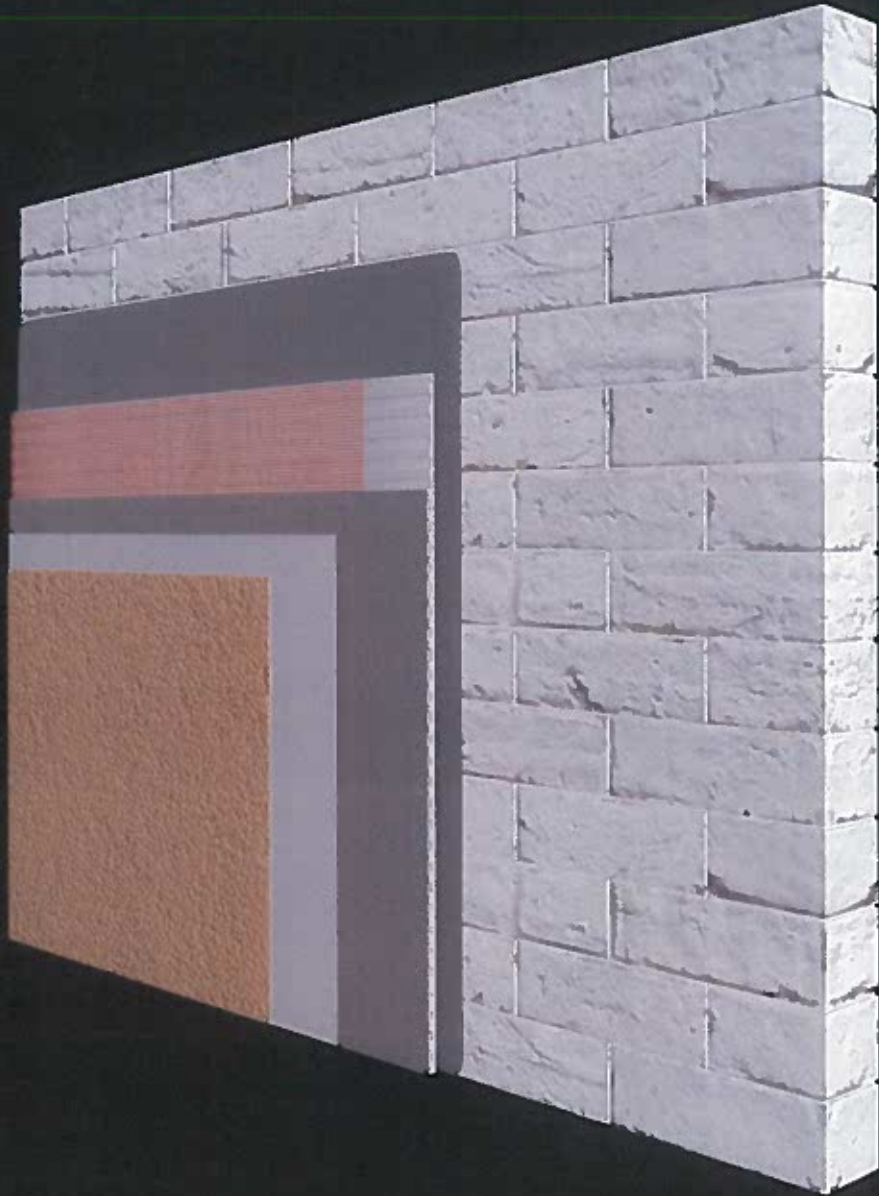

Same-grains too  
Zoomed in.  
Needs zoom out.

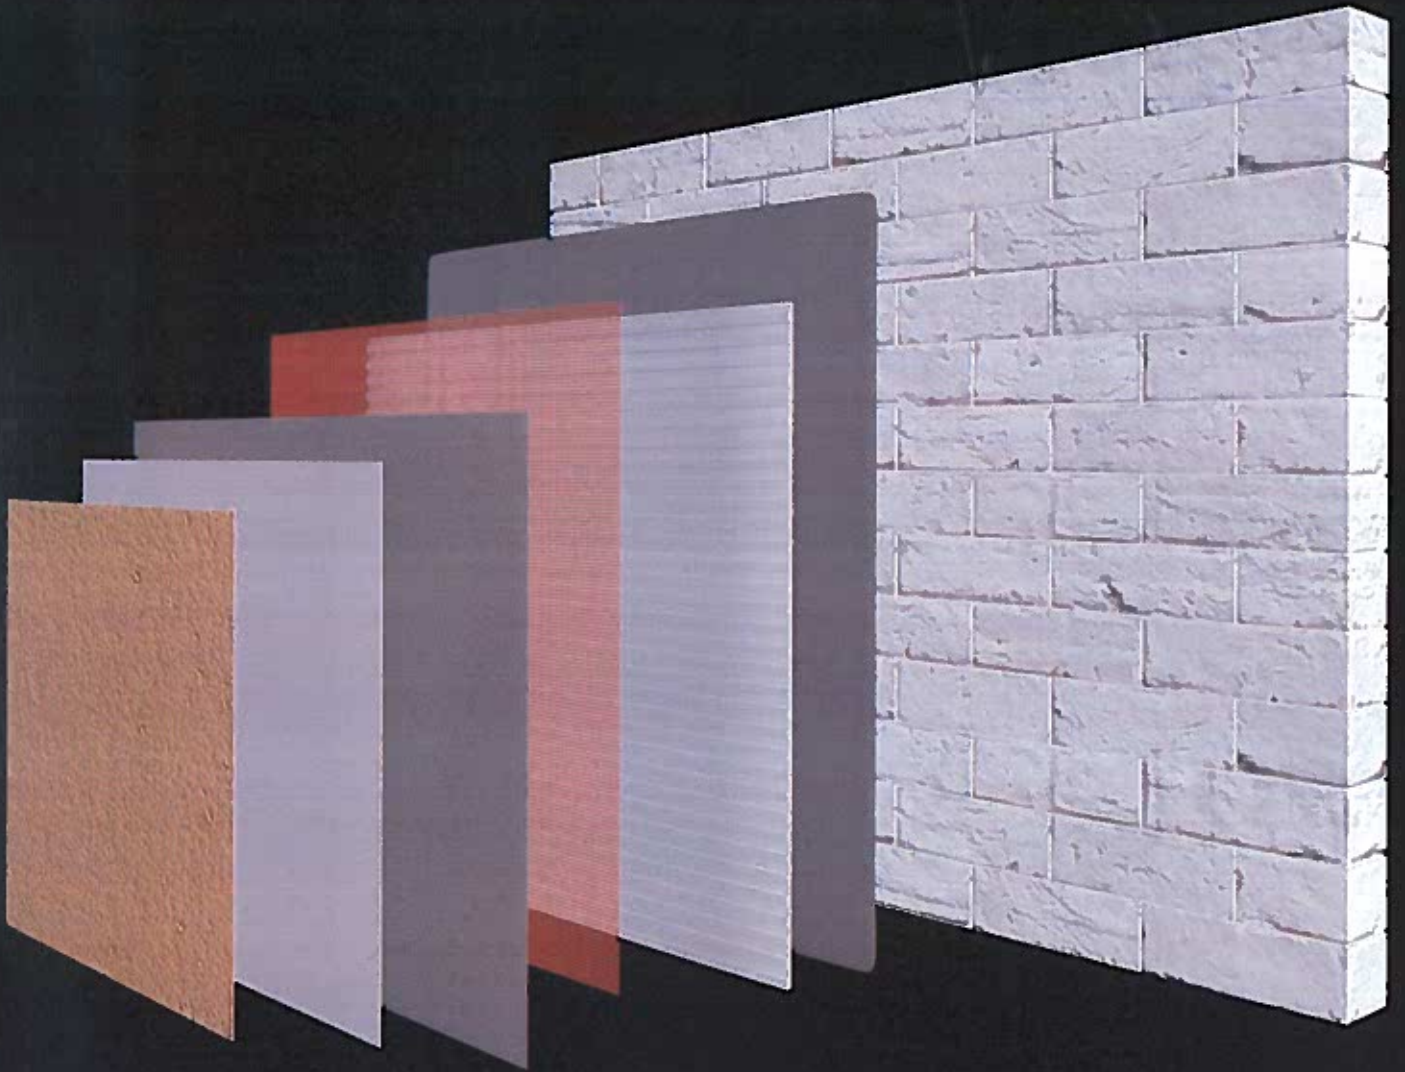

Too grainy.  
Needs to be zoomed out  
and smaller  
grains.

~~for~~ Grout to be thicker  
between bricks so  
we can see it more.

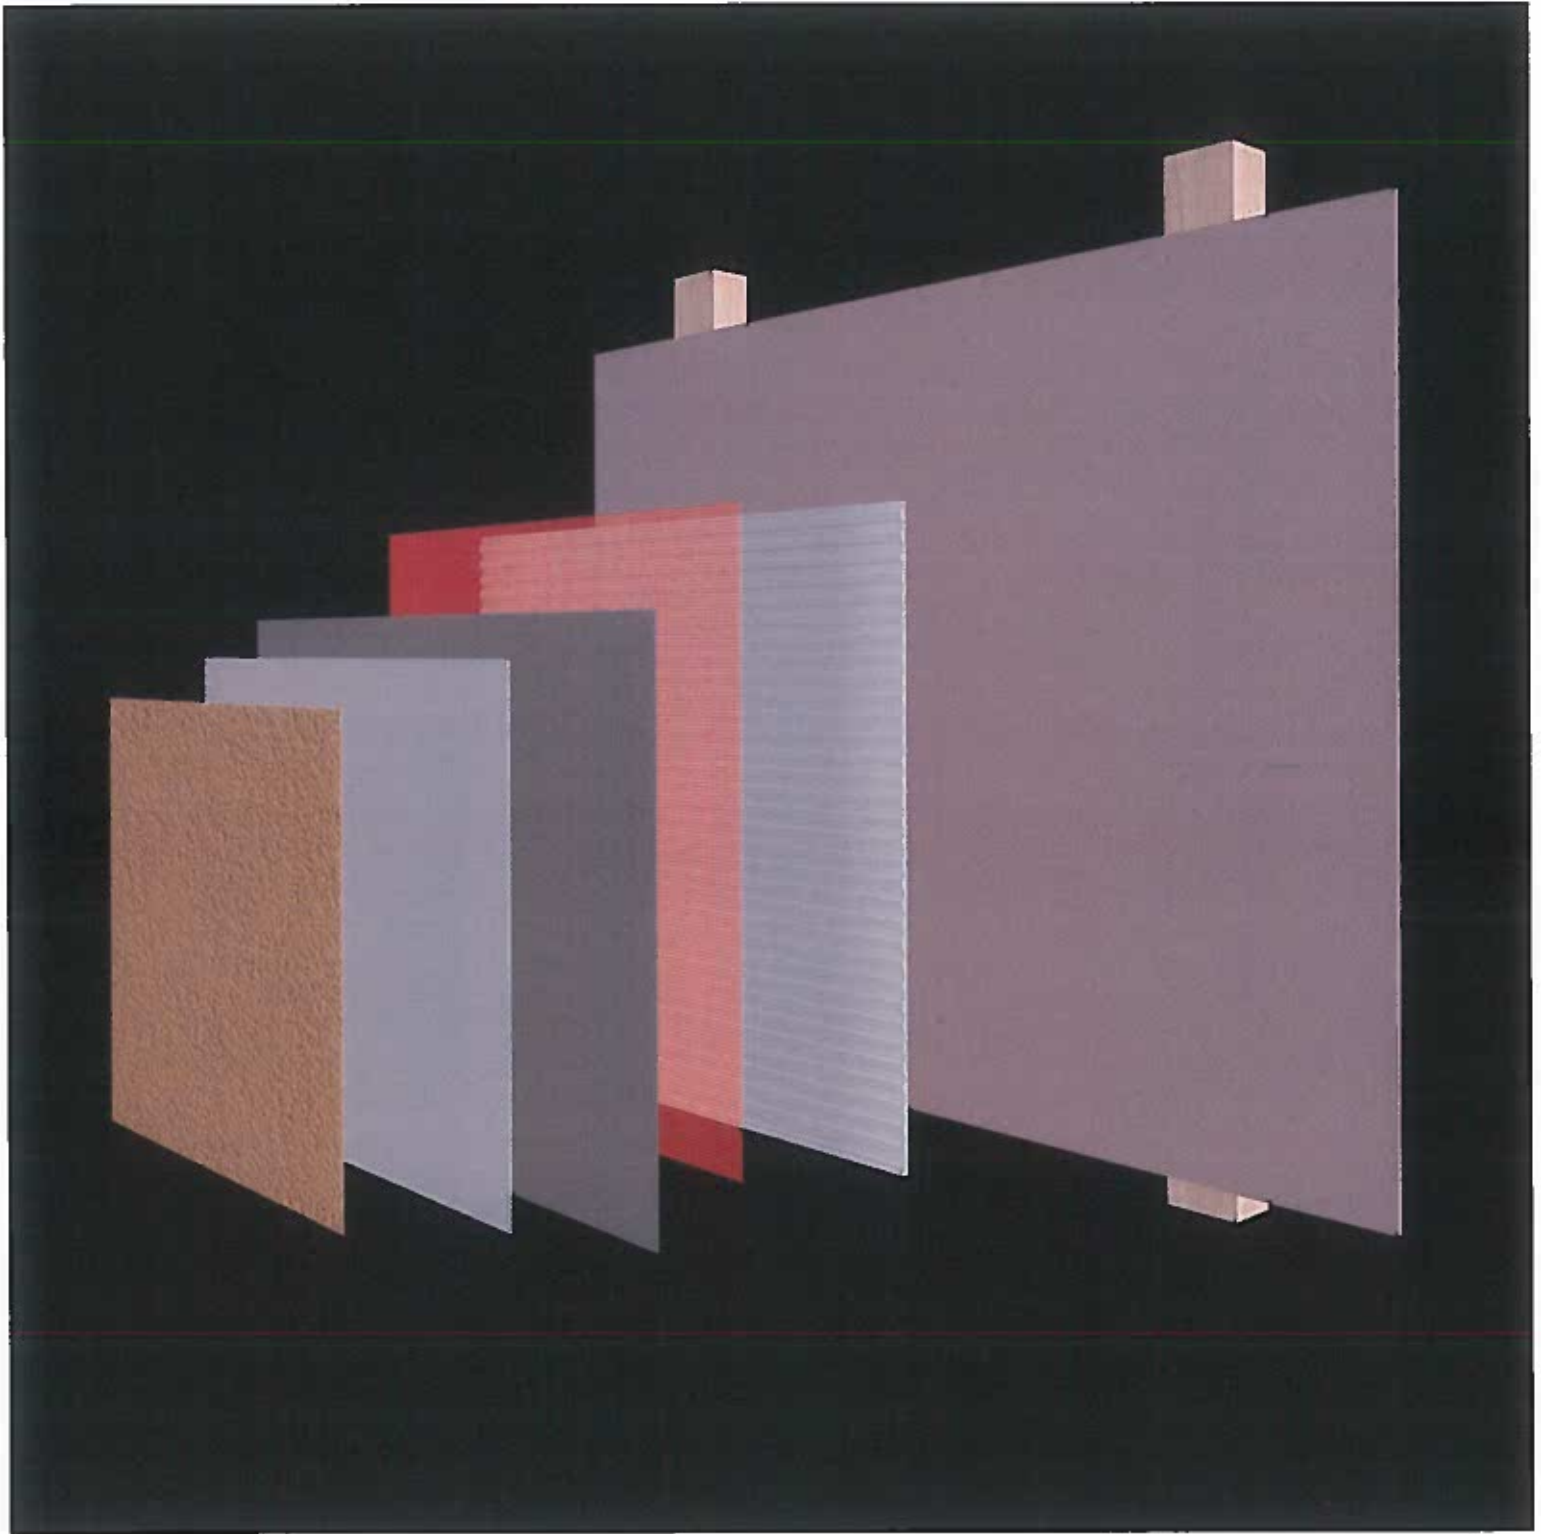

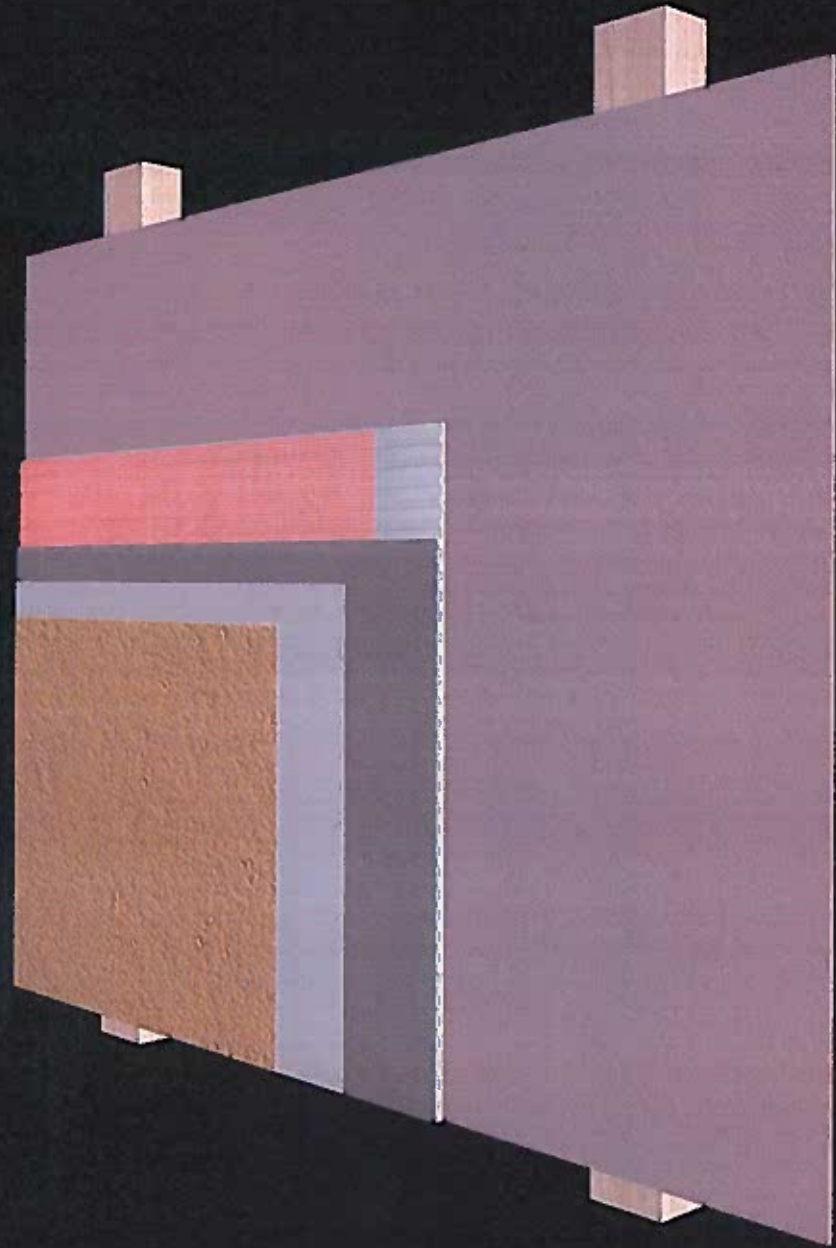

Grout needs to be  
thicker so we can see  
contrast. Still too thin

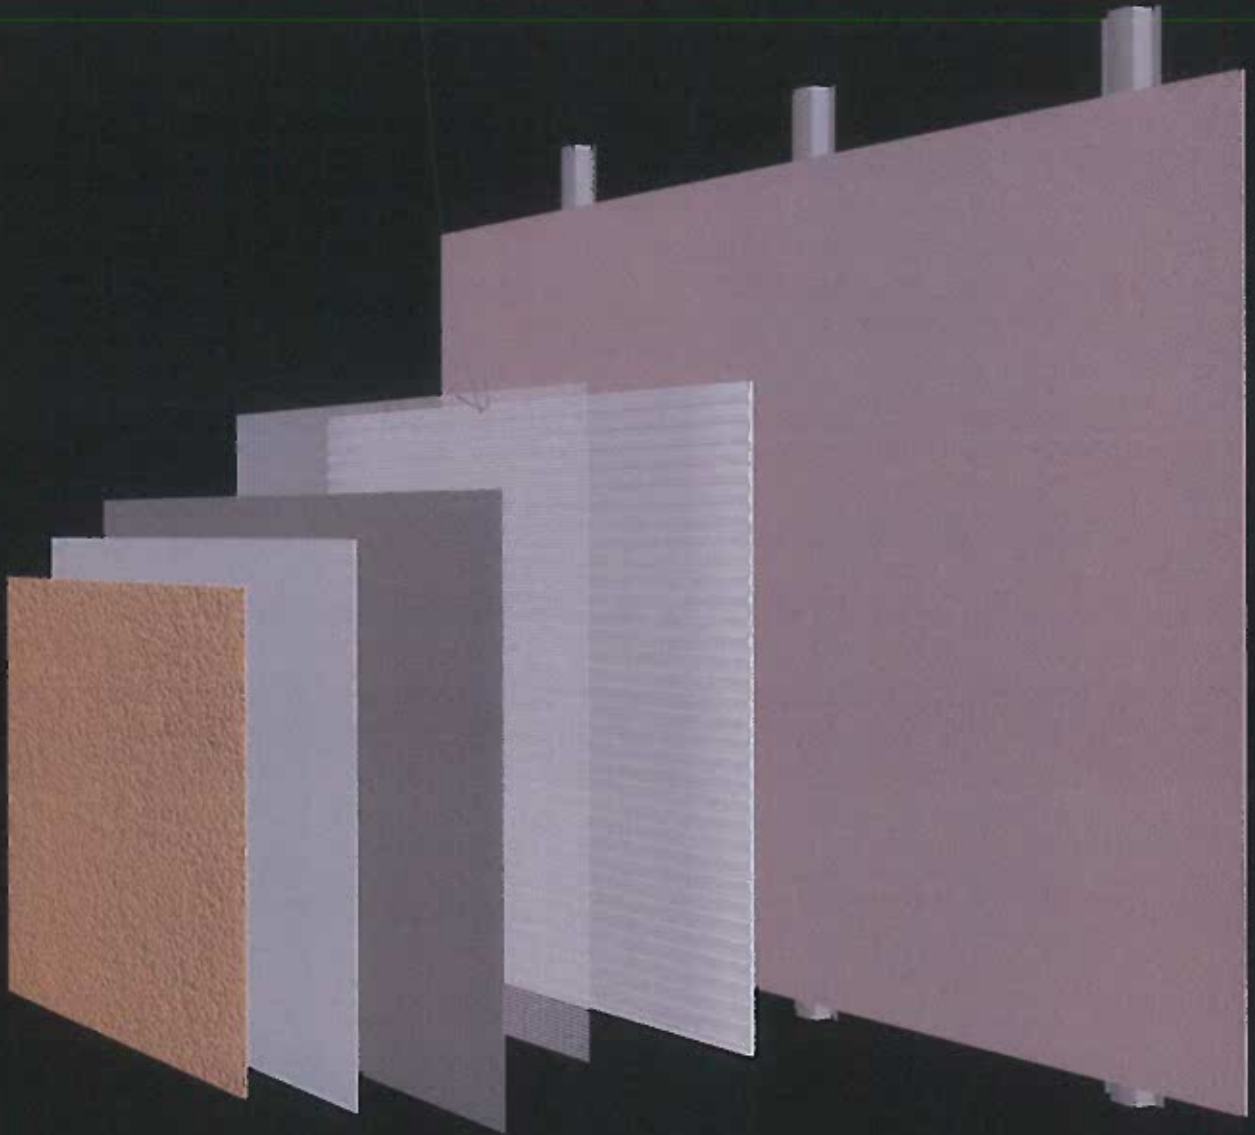

②

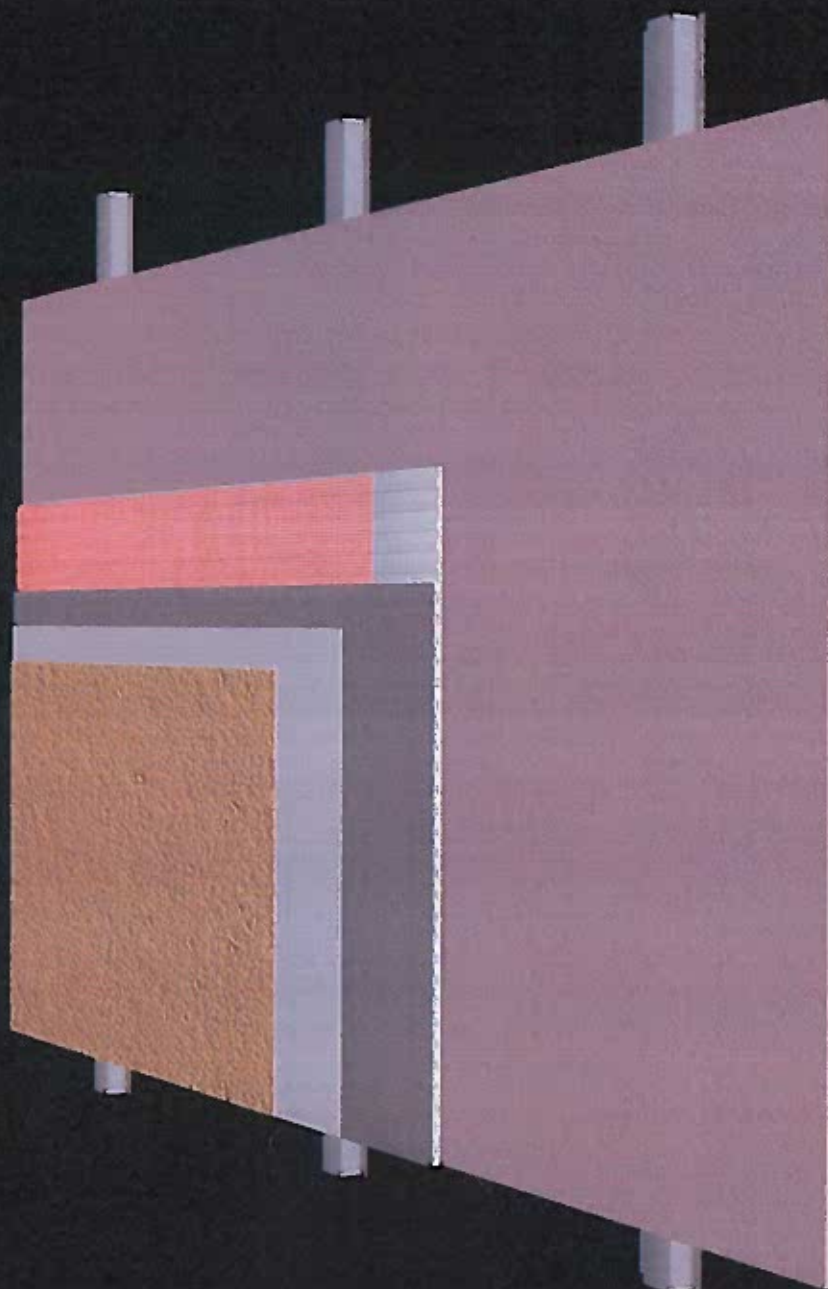

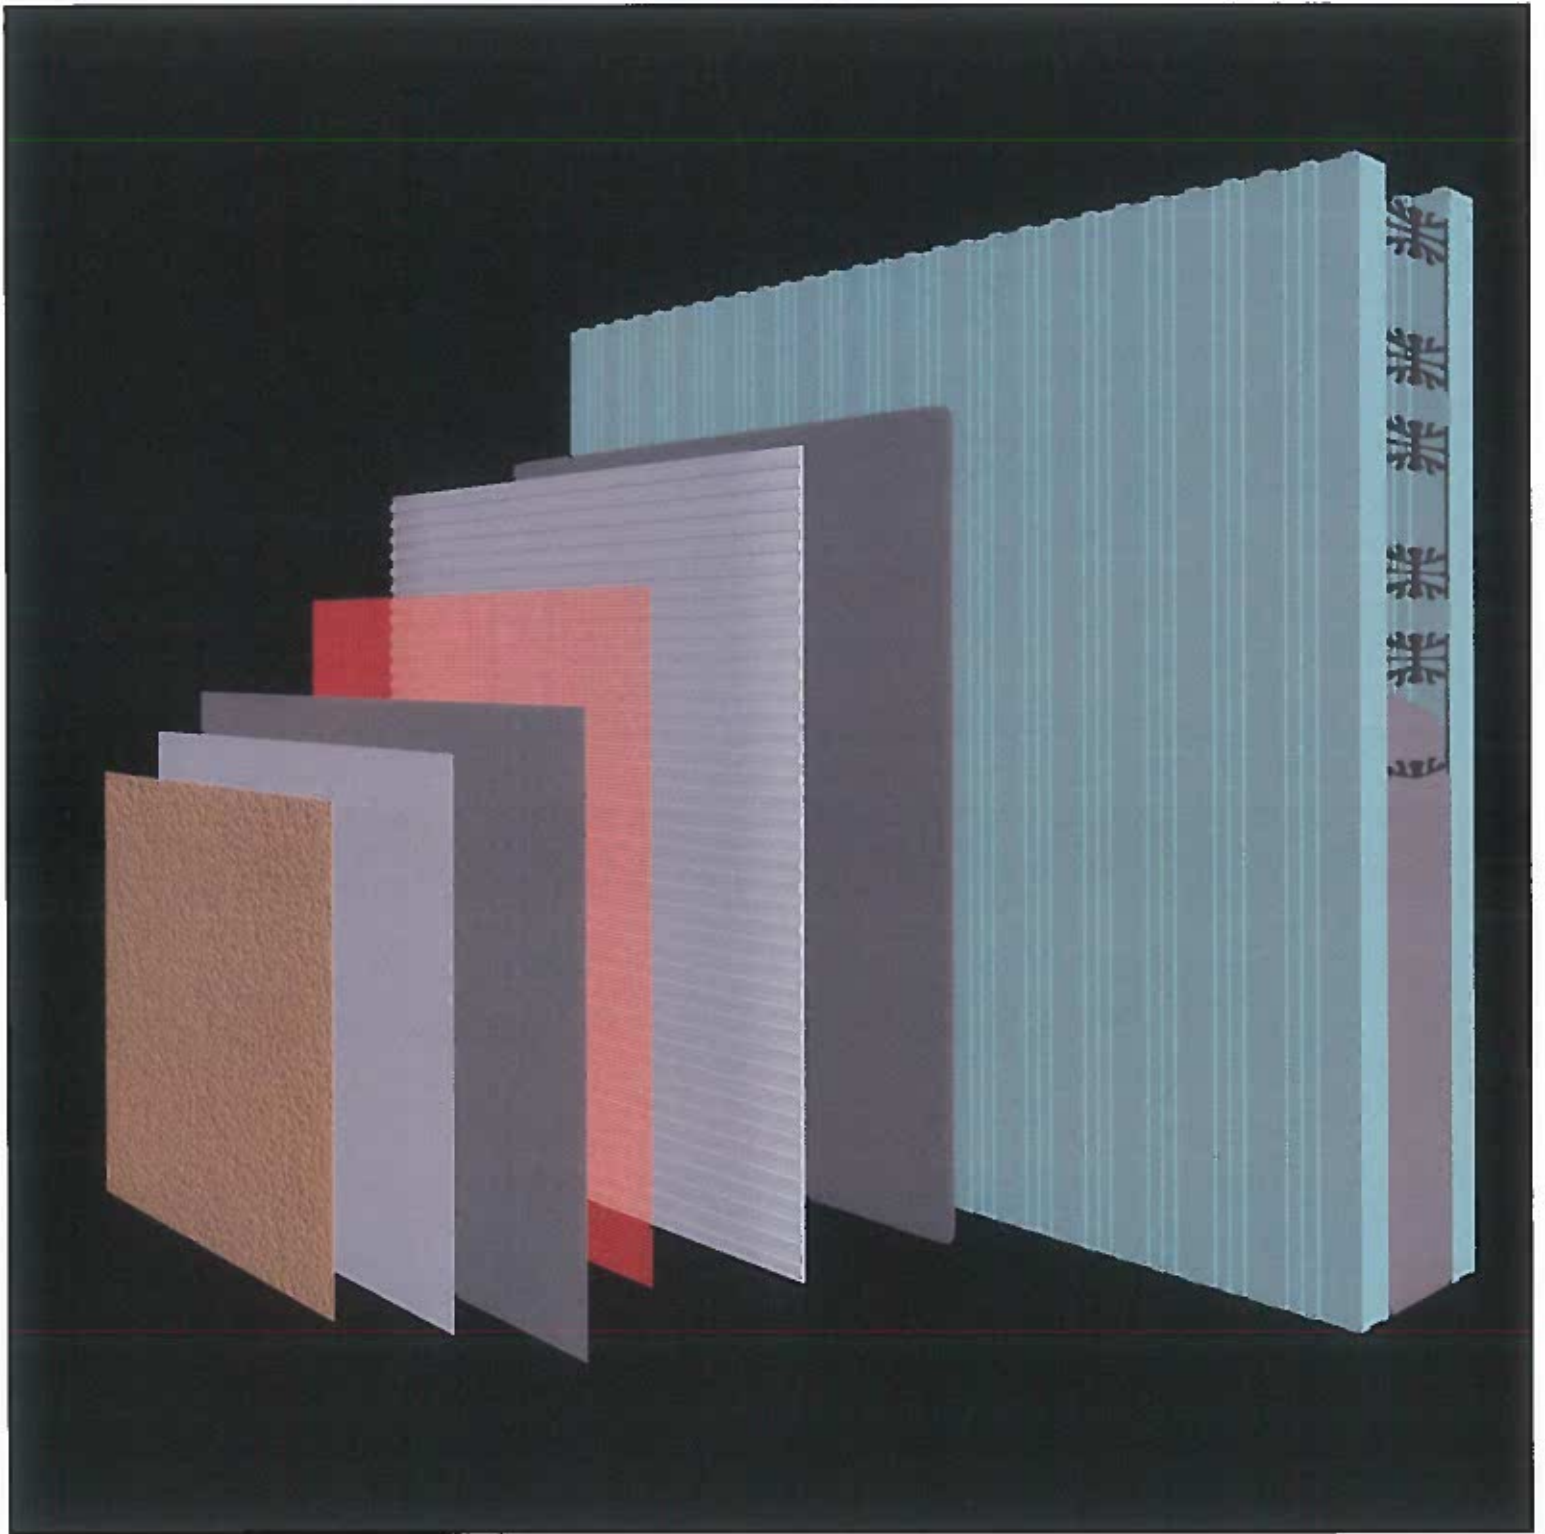

Orange  
colour  
please

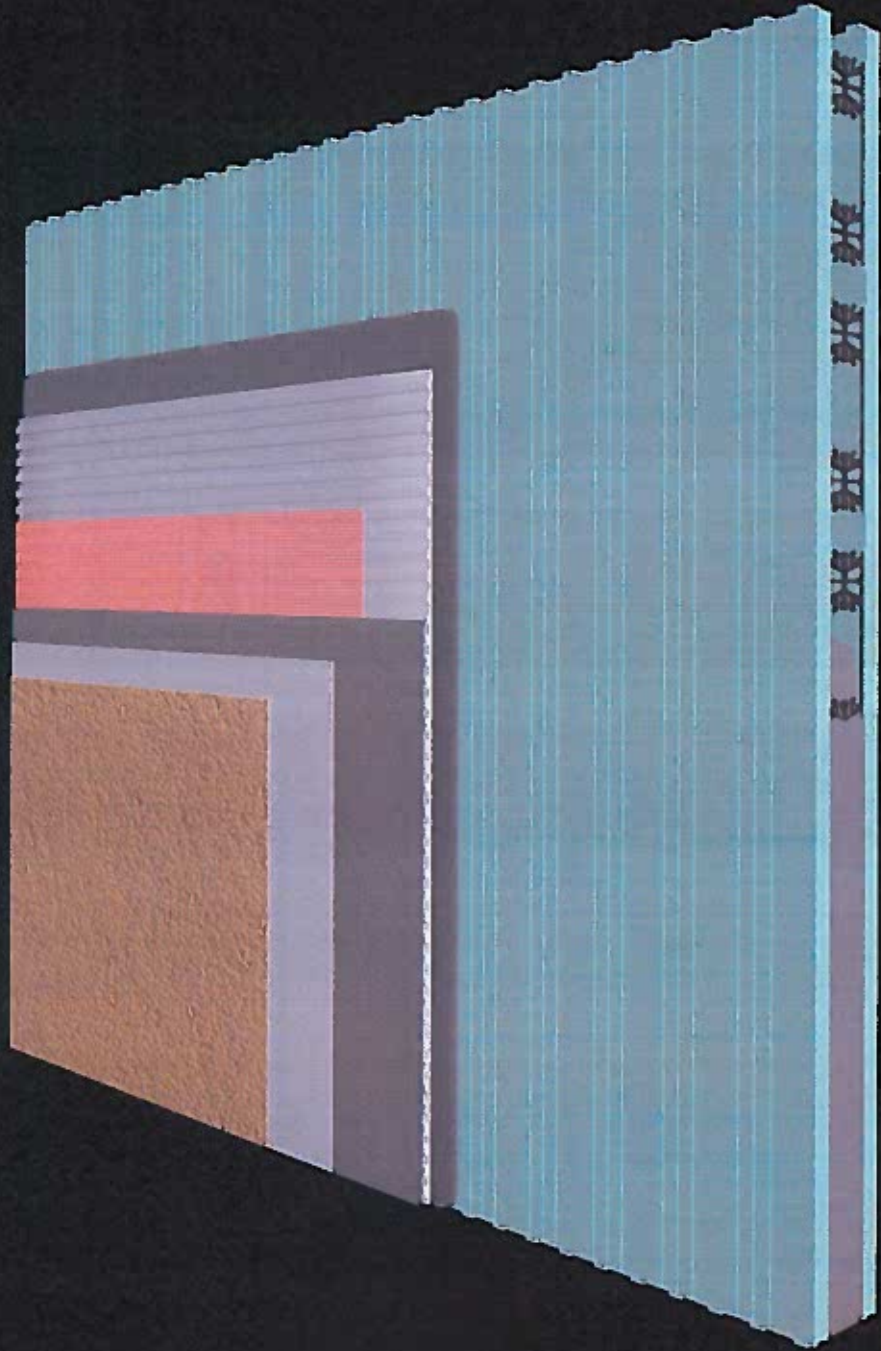

①

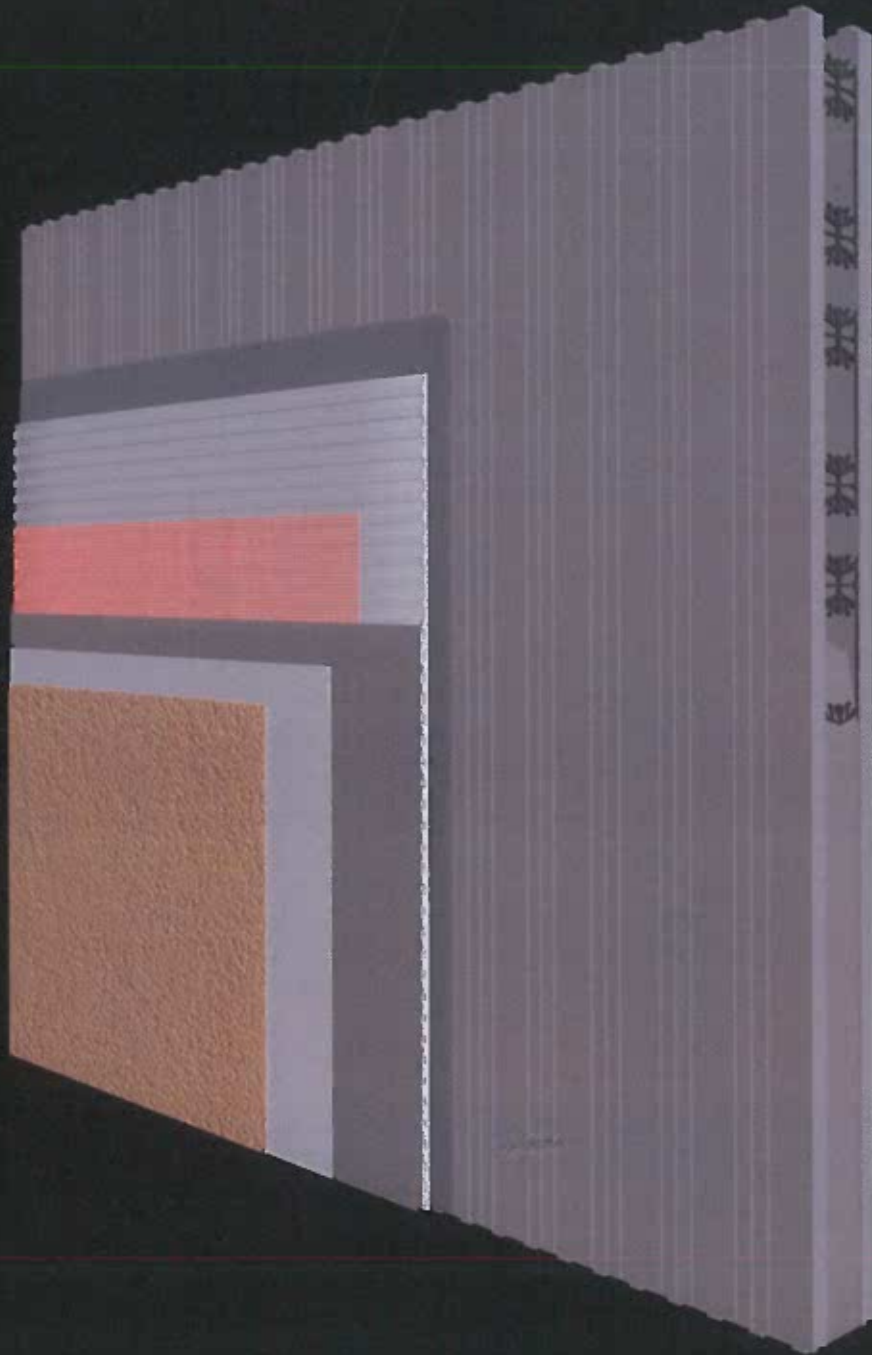

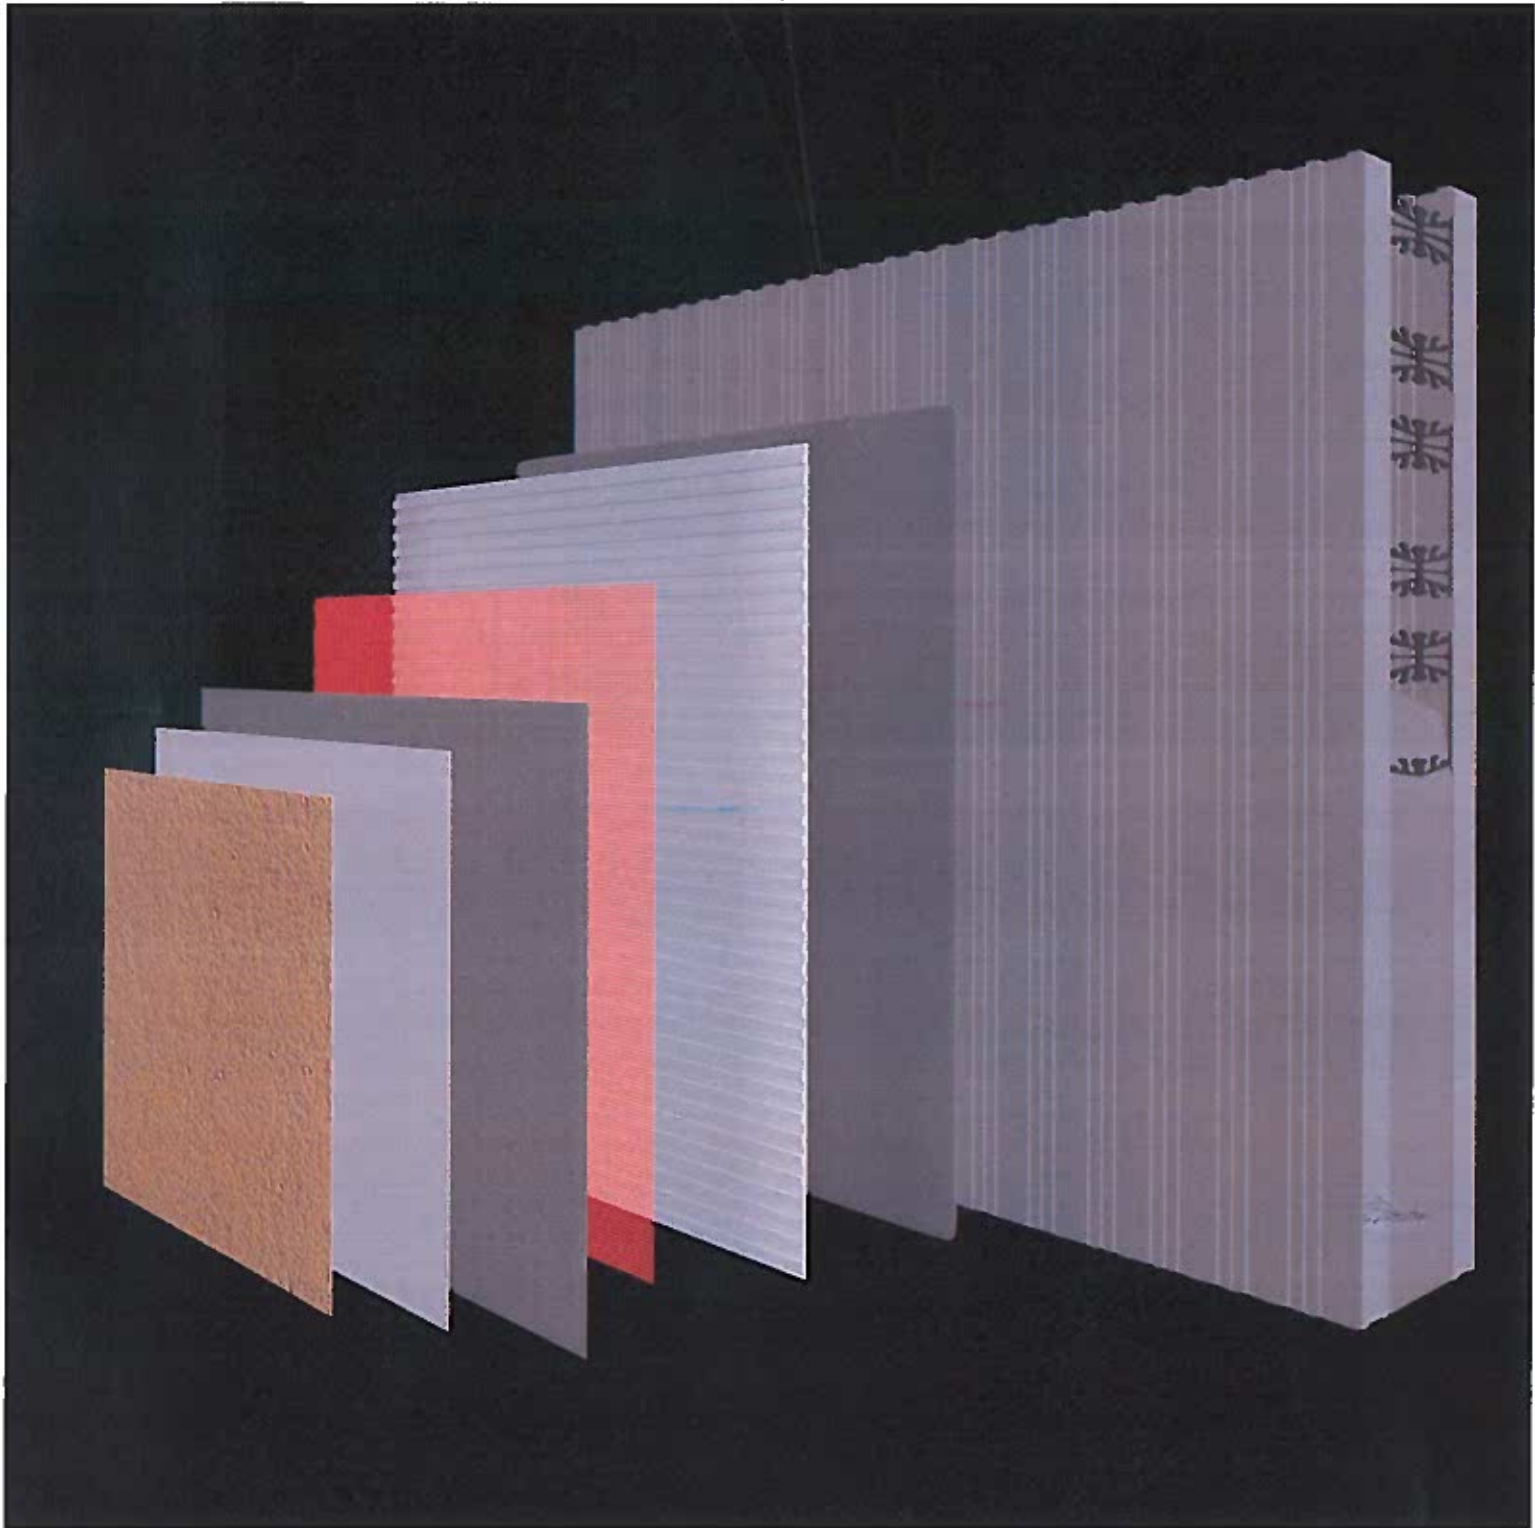

①

~~lighter~~ lighter so  
we can contrast.

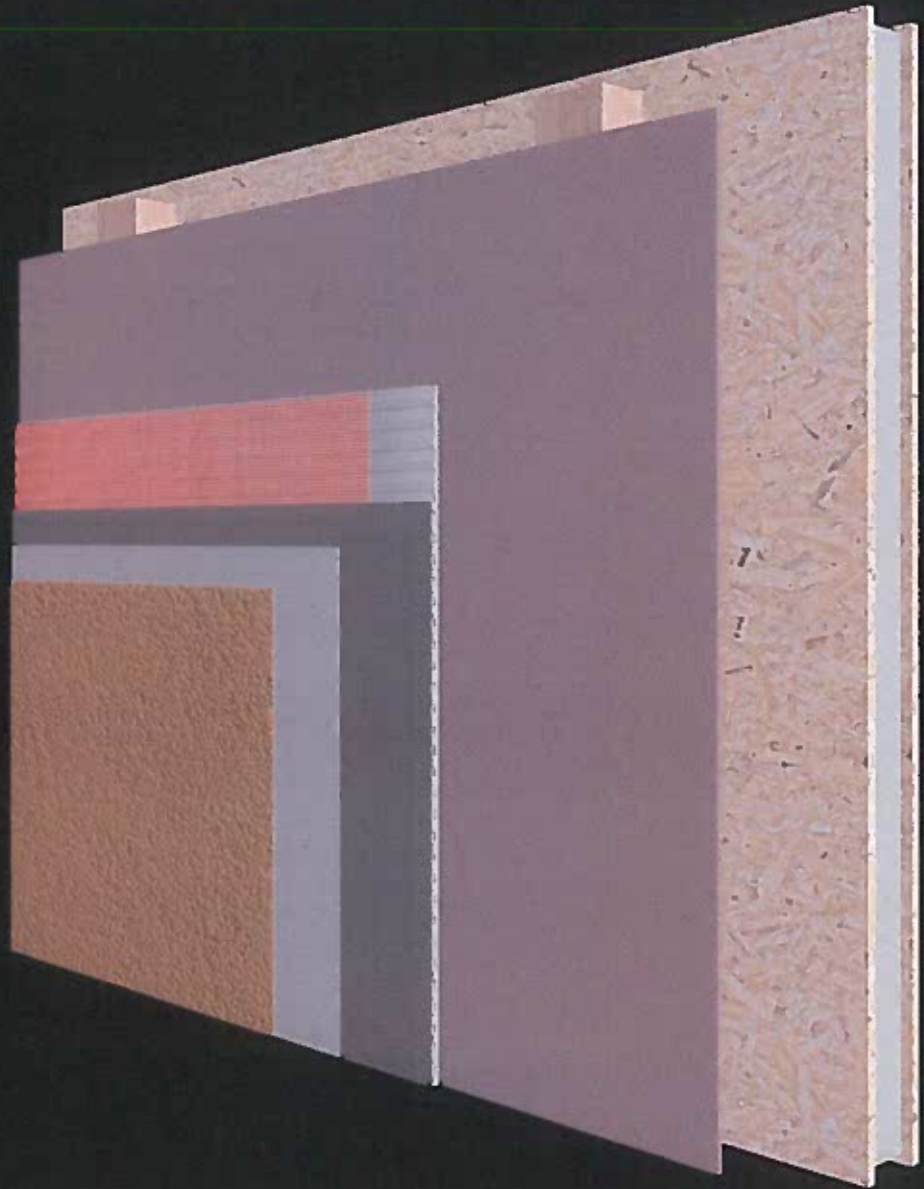

Silver  
| colour  
so we can  
contrast.
